Explanation of Responses:

1. The Performance Rights automatically vested on February 28, 2015 and were converted and paid to me in stock without any election or action on my part. The value of each right was based on the fair market value of Visteon common stock as of February 27, 2015, the next preceding trading day.
2. The shares were withheld by Visteon to satisfy income tax withholding obligations arising in connection with the vesting of certain Performance Rights. The value of each share was based on the fair market value of Visteon common stock as of February 27, 2015, the next preceding trading day.
3. The shares were withheld by Visteon to satisfy income tax withholding obligations arising in connection with the vesting of certain shares of restricted common stock. The value of each share was based on the fair market value of Visteon common stock as of February 27, 2015, the next preceding trading day.
4. Each Performance Right represents a contingent right to receive one share of Visteon common stock. The Performance Rights vested based on relative total shareholder return over a three year performance period and were paid in stock at the election of the Company.
5. These Performance Rights were forfeited due to the performance criteria being met partially.
