Explanation of Responses:

1. These shares, or units representing these shares, were acquired under the Visteon Invesment Plan and reported to me in my most recent plan statement.
2. The option is exercisable to the extent of 33% of the shares optioned after one year from the date of grant, 66% in two years and in full after three years.
3. These Visteon Stock Fund units were credit to my account, without payment by me, under the Company's Savings Parity Plan, and were reported to me in my most recent plan statement. In general, these Visteon Stock Fund units will be converted and distributed to me, without payment, in cash following termination of employment, based on the then current price of a Visteon stock fund unit, and the then current market value of a share of Visteon common stock.
