DEBT SECURITIES

UNDERWRITING AGREEMENT

JULY 17, 2000

Goldman, Sachs & Co.,
85 Broad Street,
New York, New York 10004.

Ladies and Gentlemen:

From time to time Visteon Corporation, a Delaware corporation (the "Company"), proposes to enter into one or more Pricing Agreements (each a "Pricing Agreement") in the form of Annex I hereto, with such additions and deletions as the parties thereto may determine, and, subject to the terms and conditions stated herein and therein, to issue and sell to the firms named in Schedule I to the applicable Pricing Agreement (such firms constituting the "Underwriters" with respect to such Pricing Agreement and the securities specified therein) certain of its debt securities (the "Securities") specified in Schedule II to such Pricing Agreement (with respect to such Pricing Agreement, the "Designated Securities").

The terms and rights of any particular issuance of Designated Securities shall be as specified in the Pricing Agreement relating thereto and in or pursuant to the indenture (the "Indenture") identified in such Pricing Agreement.

1. Particular sales of Designated Securities may be made from time to time to the Underwriters of such Securities, for whom the firms designated as representatives of the Underwriters of such Securities in the Pricing Agreement relating thereto will act as representatives (the "Representatives"). The term "Representatives" also refers to a single firm acting as sole representative of the Underwriters and to an Underwriter or Underwriters who act without any firm being designated as its or their representatives. This Underwriting Agreement shall not be construed as an obligation of the Company to sell any of the Securities or as an obligation of any of the Underwriters to purchase the Securities. The obligation of the Company to issue and sell any of the Securities and the obligation of any of the Underwriters to purchase any of the Securities shall be evidenced by the Pricing Agreement with respect to the Designated Securities specified therein. Each Pricing Agreement shall specify the aggregate principal amount of such Designated Securities, the initial public offering price of such Designated Securities, the purchase price to the Underwriters of such Designated Securities, the names of the Underwriters of such Designated Securities, the names of the Representatives of such Underwriters and the principal amount of such Designated Securities to be purchased by each Underwriter and shall set forth the date, time and manner of delivery of such Designated Securities and payment therefor. The Pricing Agreement shall also specify (to the extent not set forth in the Indenture and the registration statement and prospectus with respect thereto) the terms of such Designated Securities. A Pricing Agreement shall be in the form of an executed writing (which may be in counterparts), and may be evidenced by an exchange of

telegraphic communications or any other rapid transmission device designed to produce a written record of communications transmitted. The obligations of the Underwriters under this Agreement and each Pricing Agreement shall be several and not joint.

2. The Company represents and warrants to, and agrees with, each of the Underwriters that:

(a) A registration statement on Form S-3 (File No. 333- 40034) (the "Initial Registration Statement") in respect of the Securities has been filed with the Securities and Exchange Commission (the "Commission"); the Initial Registration Statement and any post-effective amendment thereto, each in the form heretofore delivered or to be delivered to the Representatives and, excluding exhibits to the Initial Registration Statement, but including all documents incorporated by reference in the prospectus contained therein, have been declared effective by the Commission in such form; other than a registration statement, if any, increasing the size of the offering (a "Rule 462(b) Registration Statement"), filed pursuant to Rule 462(b) under the Securities Act of 1933, as amended (the "Act"), which became effective upon filing, and any documents incorporated by reference, no document with respect to the Initial Registration Statement has heretofore been filed or transmitted for filing with the Commission (other than prospectuses filed pursuant to Rule 424(b) of the rules and regulations of the Commission under the Act, each in the form heretofore delivered to the Representatives); and no stop order suspending the effectiveness of the Initial Registration Statement, any post-effective amendment thereto or the Rule 462(b) Registration Statement, if any, has been issued and no proceeding for that purpose has been initiated or threatened by the Commission (any preliminary prospectus included in the Initial Registration Statement or filed with the Commission pursuant to Rule 424(a) under the Act is hereinafter called a "Preliminary Prospectus"; the various parts of the Initial Registration Statement, any post-effective amendment thereto and the Rule 462(b) Registration Statement, if any, including all exhibits thereto and the documents incorporated by reference in the prospectus contained in the Initial Registration Statement at the time such part of the Initial Registration Statement became effective but excluding Form T-1, each as amended at the time such part of the Initial Registration Statement became effective or such part of the Rule 462(b) Registration Statement, if any, became or hereafter becomes effective, are hereinafter collectively called the "Registration Statement"; the prospectus relating to the Securities, in the form in which it has most recently been filed, or transmitted for filing, with the Commission on or prior to the date of this Agreement, being hereinafter called the "Prospectus"; any reference herein to any Preliminary Prospectus or the Prospectus shall be deemed to refer to and include the documents incorporated by reference therein pursuant to the applicable form under the Act, as of the date of such Preliminary Prospectus or Prospectus, as the case may be; any reference to any amendment or supplement to any Preliminary Prospectus or the Prospectus shall be deemed to refer to and include any documents filed after the date of such Preliminary Prospectus or Prospectus, as the case may be, under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and incorporated by reference in such Preliminary Prospectus or Prospectus, as the case may be; any reference to any amendment to the Initial Registration Statement shall be deemed to refer to and include any annual report of the Company filed pursuant to Section 13(a) or 15(d) of the Exchange Act after the effective date of the Initial Registration Statement that is incorporated by reference in the Registration Statement; and any reference to the Prospectus as amended or supplemented shall be deemed to refer to the Prospectus as amended or supplemented in relation to the applicable Designated Securities in the form in which it is filed with the Commission pursuant to Rule 424(b) under the Act in accordance with Section 5(a) hereof, including any documents incorporated by reference therein as of the date of such filing);

(b) The documents incorporated by reference in the Prospectus, when they became effective or were filed with the Commission, as the case may be, conformed in all material respects to the requirements of the Act or the Exchange Act, as applicable, and the rules and regulations of the Commission thereunder, and none of such documents contained an untrue statement of a material

fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading; and any further documents so filed and incorporated by reference in the Prospectus or any further amendment or supplement thereto, when such documents become effective or are filed with the Commission, as the case may be, will conform in all material respects to the requirements of the Act or the Exchange Act, as applicable, and the rules and regulations of the Commission thereunder and will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading; provided, however, that this representation and warranty shall not apply to any statements or omissions made in reliance upon and in conformity with information furnished in writing to the Company by an Underwriter of Designated Securities through the Representatives expressly for use in the Prospectus as amended or supplemented relating to such Securities;

(c) The Registration Statement and the Prospectus conform, and any further amendments or supplements to the Registration Statement or the Prospectus will conform, in all material respects, to the requirements of the Act and the Trust Indenture Act of 1939, as amended (the "Trust Indenture Act"), and the rules and regulations of the Commission thereunder and do not and will not, as of the applicable effective date as to the Registration Statement and any amendment thereto and as of the applicable filing date as to the Prospectus and any amendment or supplement thereto, contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading; provided, however, that this representation and warranty shall not apply to any statements or omissions made in reliance upon and in conformity with information furnished in writing to the Company by an Underwriter of Designated Securities through the Representatives expressly for use in the Prospectus as amended or supplemented relating to such Securities;

(d) Since the respective dates as of which information is given in the Registration Statement and the Prospectus, there has not been any material adverse change, or any development involving a prospective material adverse change, in or affecting the general affairs, management, financial position, shareholders' equity or results of operations of the Company and its subsidiaries, otherwise than as set forth or contemplated in the Prospectus;

(e) The Company has been duly incorporated and is validly existing as a corporation in good standing under the laws of the State of Delaware, with power and authority (corporate and other) to own its properties and conduct its business as described in the Prospectus;

(f) The Company has an authorized capitalization as set forth in the Prospectus, and all of the issued shares of capital stock of the Company have been duly and validly authorized and issued and are fully paid and non-assessable;

(g) The Securities have been duly authorized, and, when Designated Securities are issued and delivered pursuant to this Agreement and the Pricing Agreement with respect to such Designated Securities, such Designated Securities will have been duly executed, authenticated, issued and delivered and will constitute valid and legally binding obligations of the Company entitled to the benefits provided by the Indenture, which will be substantially in the form filed as an exhibit to the Registration Statement; the Indenture has been duly authorized and duly qualified under the Trust Indenture Act and, at the Time of Delivery for such Designated Securities (as defined in Section 4 hereof), the Indenture will constitute a valid and legally binding instrument, enforceable in accordance with its terms, subject, as to enforcement, to bankruptcy, insolvency, reorganization and other laws of general applicability relating to or affecting creditors' rights and to general equity principles; and the Indenture conforms, and the Designated Securities will conform, to the descriptions thereof contained in the Prospectus as amended or supplemented with respect to such Designated Securities;

(h) No consent, approval, authorization, order, registration or qualification of or with any such court or governmental agency or body is required for the issue and sale of the Securities or the consummation by the Company of the transactions contemplated by this Agreement or any Pricing Agreement or the Indenture, except such as have been, or will have been prior to the Time of Delivery, obtained under the Act and the Trust Indenture Act and such consents, approvals, authorizations, registrations or qualifications as may be required under state securities or Blue Sky laws in connection with the purchase and distribution of the Securities by the Underwriters;

(i) Neither the Company nor any of its subsidiaries is in violation of its charter or bylaws or in default in the performance or observance of any material obligation, agreement, covenant or condition contained in any indenture, mortgage, deed of trust, loan agreement, lease or other agreement or instrument to which it is a party or by which it or any of its properties may be bound;

(j) Other than as set forth in the Prospectus, there are no legal or governmental proceedings pending to which the Company or any of its subsidiaries is a party or of which any property of the Company or any of its subsidiaries is the subject which, if determined adversely to the Company or any of its subsidiaries, would individually or in the aggregate have a material adverse effect on the current or future consolidated financial position, shareholders' equity or results of operations of the Company and its subsidiaries; and, to the best of the Company's knowledge, no such proceedings are threatened or contemplated by governmental authorities or threatened by others;

(k) The Company is not and, after giving effect to the offering and sale of the Securities, will not be an "investment company", as such term is defined in the Investment Company Act of 1940, as amended (the "Investment Company Act");

(l) To the best of the knowledge of the Company, PricewaterhouseCoopers LLP, who have certified certain financial statements of the Company and its subsidiaries, are independent public accountants as required by the Act and the rules and regulations of the Commission thereunder.

3. Upon the execution of the Pricing Agreement applicable to any Designated Securities and authorization by the Representatives of the release of such Designated Securities, the several Underwriters propose to offer such Designated Securities for sale upon the terms and conditions set forth in the Prospectus as amended or supplemented.

4. Designated Securities to be purchased by each Underwriter pursuant to the Pricing Agreement relating thereto, in the form specified in such Pricing Agreement, and in such authorized denominations and registered in such names as the Representatives may request upon at least forty-eight hours' prior notice to the Company, shall be delivered by or on behalf of the Company to the Representatives for the account of such Underwriter, against payment by such Underwriter or on its behalf of the purchase price therefor by wire transfer of Federal (same-day) funds to the account specified by the Company to the Representatives at least forty-eight hours in advance or at such other place and time and date as the Representatives and the Company may agree upon in writing, such time and date being herein called the "Time of Delivery" for such Securities.

5. The Company agrees with each of the Underwriters of any Designated Securities:

(a) To prepare the Prospectus as amended or supplemented in relation to the applicable Designated Securities in a form approved by the Representatives and to file such Prospectus pursuant to Rule 424(b) under the Act not later than the Commission's close of business on the second business day following the execution and delivery of the Pricing Agreement relating to the applicable Designated Securities or, if applicable, such earlier time as may be required by Rule

424(b); to make no further amendment or any supplement to the Registration Statement or Prospectus as amended or supplemented after the date of the Pricing Agreement relating to such Securities and prior to the Time of Delivery for such Securities which shall be disapproved by the Representatives for such Securities promptly after reasonable notice thereof; to advise the Representatives promptly of any such amendment or supplement after such Time of Delivery and furnish the Representatives with copies thereof; to file promptly all reports and any definitive proxy or information statements required to be filed by the Company with the Commission pursuant to Section 13(a), 13(c), 14 or 15(d) of the Exchange Act for so long as the delivery of a prospectus is required in connection with the offering or sale of such Securities, and during such same period to advise the Representatives, promptly after it receives notice thereof, of the time when any amendment to the Registration Statement has been filed or becomes effective or any supplement to the Prospectus or any amended Prospectus has been filed with the Commission, of the issuance by the Commission of any stop order or of any order preventing or suspending the use of any prospectus relating to the Securities, of the suspension of the qualification of such Securities for offering or sale in any jurisdiction, of the initiation or threatening of any proceeding for any such purpose, or of any request by the Commission for the amending or supplementing of the Registration Statement or Prospectus or for additional information; and, in the event of the issuance of any such stop order or of any such order preventing or suspending the use of any prospectus relating to the Securities or suspending any such qualification, to promptly use its best efforts to obtain the withdrawal of such order;

(b) Promptly from time to time to take such action as the Representatives may reasonably request to qualify such Securities for offering and sale under the securities laws of such jurisdictions as the Representatives may request and to comply with such laws so as to permit the continuance of sales and dealings therein in such jurisdictions for as long as may be necessary to complete the distribution of such Securities, provided that in connection therewith the Company shall not be required to qualify as a foreign corporation or to file a general consent to service of process in any jurisdiction; and provided further that the expense of maintaining any such qualification more than one year from the date of the Pricing Agreement with respect to such Securities shall be at the expense of the Underwriters;

(c) To use best efforts to deliver as early as is reasonably practicable on the New York Business Day next succeeding the date of the Pricing Agreement for the Designated Securities and from time to time, to furnish the Underwriters in New York City with copies of the Prospectus as amended or supplemented in such quantities as the Representatives may reasonably request and, if the delivery of a prospectus is required at any time in connection with the offering or sale of Securities and if at such time any event shall have occurred as a result of which the Prospectus as then amended or supplemented would include an untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made when such Prospectus is delivered, not misleading, or, if for any other reason it shall be necessary during such same period to amend or supplement the Prospectus or to file under the Exchange Act any document incorporated by reference in the Prospectus in order to comply with the Act, the Exchange Act or the Trust Indenture Act, to notify the Representatives and upon their request to file such document and to prepare and furnish without charge to each Underwriter and to any dealer in Designated Securities as many copies as the Representatives may from time to time reasonably request of an amended Prospectus or a supplement to the Prospectus which will correct such statement or omission or effect such compliance;

(d) To make generally available to its securityholders as soon as practicable, but in any event not later than eighteen months after the effective date of the Registration Statement (as defined in Rule 158(c) under the Act), an earning statement of the Company and its subsidiaries (which need not be audited) complying with Section 11(a) of the Act and the rules and regulations of the Commission thereunder (including, at the option of the Company, Rule 158);

(e) During the period beginning from the date of the Pricing Agreement for such Designated Securities and continuing to and including the later of (i) the termination of trading restrictions for such Designated Securities, as notified to the Company by the Representatives, and (ii) the Time of Delivery for such Designated Securities, not to offer, sell, contract to sell or otherwise dispose of any debt securities of the Company which mature more than one year after such Time of Delivery and which are substantially similar to such Designated Securities, without the prior written consent of the Representatives; and

(f) If the Company elects to rely upon Rule 462(b), the Company shall file a Rule 462(b) Registration Statement with the Commission in compliance with Rule 462(b) by 10:00 P.M., Washington, D.C. time, on the date of this Agreement, and the Company shall at the time of filing either pay to the Commission the filing fee for the Rule 462(b) Registration Statement or give irrevocable instructions for the payment of such fee pursuant to Rule 111(b) under the Act.

6. The Company covenants and agrees with the several Underwriters that the Company will pay or cause to be paid the following: (i) the fees, disbursements and expenses of the Company's counsel and accountants in connection with the registration of the Securities under the Act and all other expenses in connection with the preparation, printing and filing of the Registration Statement, any Preliminary Prospectus and the Prospectus and amendments and supplements thereto and the mailing and delivering of copies thereof to the Underwriters and dealers; (ii) all expenses in connection with the qualification of the Securities for offering and sale under state securities laws as provided in Section 5(b) hereof, including the reasonable fees and disbursements of counsel for the Underwriters in connection with such qualification and in connection with the Blue Sky and Legal Investment Surveys; (iii) any fees charged by securities rating services for rating the Securities; (iv) any filing fees incident to, and the fees and disbursements of counsel for the Underwriters in connection with, any required review by the National Association of Securities Dealers, Inc. of the terms of the sale of the Securities; (v) the cost of preparing the Securities; (vi) the fees and expenses of any Trustee and any agent of any Trustee and the fees and disbursements of counsel for any Trustee in connection with any Indenture and the Securities; and (vii) all other costs and expenses incident to the performance of its obligations hereunder which are not otherwise specifically provided for in this Section. It is understood, however, that, except as provided in this Section, and Sections 8 and 11 hereof, the Underwriters will pay all of their own costs and expenses, including the fees of their counsel, transfer taxes on resale of any of the Securities by them, and any advertising expenses connected with any offers they may make.

7. The obligations of the Underwriters of any Designated Securities under the Pricing Agreement relating to such Designated Securities shall be subject, in the discretion of the Representatives, to the condition that all representations and warranties and other statements of the Company in or incorporated by reference in the Pricing Agreement relating to such Designated Securities are, at and as of the Time of Delivery for such Designated Securities, true and correct, the condition that the Company shall have performed all of its obligations hereunder theretofore to be performed, and the following additional conditions:

(a) The Prospectus as amended or supplemented in relation to the applicable Designated Securities shall have been filed with the Commission pursuant to Rule 424(b) within the applicable time period prescribed for such filing by the rules and regulations under the Act and in accordance with Section 5(a) hereof; if the Company has elected to rely upon Rule 462(b), the Rule 462(b) Registration Statement shall have become effective by 10:00 P.M., Washington, D.C. time, on the date of this Agreement; no stop order suspending the effectiveness of the Registration Statement or any part thereof shall have been issued and no proceeding for that purpose shall have been initiated or threatened by the Commission; and all requests for additional information on the part of the Commission shall have been complied with to the Representatives' reasonable satisfaction;

(b) Counsel for the Underwriters shall have furnished to the Representatives such written opinion or opinions, dated the Time of Delivery for such Designated Securities, with respect to the matters covered in paragraphs (i), (iii), (iv), (v), (viii), (x) and (xi) of subsection (c) below as well as such other related matters as the Representatives may reasonably request, and such counsel shall have received such papers and information as they may reasonably request to enable them to pass upon such matters;

(c) Dickinson Wright PLLC, or other counsel to the Company satisfactory to the Representatives, shall have furnished to the Representatives their written opinion, dated the Time of Delivery for such Designated Securities, in form satisfactory to the Representatives, to the effect that:

(i) The Company has been duly incorporated and is validly existing as a corporation in good standing under the laws of the State of Delaware, with corporate power and authority to own its properties and conduct its business as described in the Prospectus as amended or supplemented;

(ii) To the best of such counsel's knowledge and other than as set forth in the Prospectus as amended or supplemented, there are no legal or governmental proceedings pending to which the Company or any of its subsidiaries is a party or of which any property of the Company or any of its subsidiaries is the subject that, if determined adversely to the Company or any of its subsidiaries, in the opinion of such counsel would individually or in the aggregate have a material adverse effect on the consolidated financial position, shareholders' equity or results of operations of the Company and its subsidiaries considered as one enterprise; and, to the best of such counsel's knowledge, no such proceedings are threatened or contemplated by governmental authorities or threatened by others;

(iii) This Agreement and the Pricing Agreement with respect to the Designated Securities have been duly authorized, executed and delivered by the Company;

(iv) The Designated Securities have been duly authorized, executed, authenticated, issued and delivered and constitute valid and legally binding obligations of the Company entitled to the benefits provided by the Indenture; and the Designated Securities and the Indenture conform in all material respects to the descriptions thereof in the Prospectus as amended or supplemented;

(v) The Indenture has been duly authorized, executed and delivered by the Company and constitutes a valid and legally binding obligation of the Company, enforceable against the Company in accordance with its terms, and the Indenture has been duly qualified under the Trust Indenture Act;

(vi) The issue and sale of the Designated Securities and the compliance by the Company with all of the provisions of the Designated Securities, the Indenture, this Agreement and the Pricing Agreement with respect to the Designated Securities and the consummation of the transactions herein and therein contemplated will not conflict with or result in a breach or violation of any of the terms or provisions of, or constitute a default under, any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument (in each case material to the Company and its subsidiaries considered as an enterprise) known to such counsel to which the Company is a party or by which the Company is bound or to which any of the property or assets of the Company is subject, nor will such actions result in any violation of the provisions of the charter or bylaws of the Company or any statute or any order, rule or regulation known to such counsel of any court or governmental agency or body having jurisdiction over the Company or any of its properties;

(vii) No consent, approval, authorization, order, registration or qualification of or with any such court or governmental agency or body is required for the issue and sale of the Designated Securities or the consummation by the Company of the transactions contemplated by this Agreement or such Pricing Agreement or the Indenture, except such as have been obtained under the Act and the Trust Indenture Act and such consents, approvals, authorizations, orders, registrations or qualifications as may be required under state or foreign securities laws in connection with the purchase and distribution of the Designated Securities by the Underwriters;

(viii) The statements set forth in the Prospectus as amended or supplemented under the captions "Description of Notes" and "Description of Debt Securities", insofar as they purport to constitute a summary of the terms of the Designated Securities, under the captions "Certain United States Tax Documentation Requirements" and "United States Taxation of Non-United States Persons" and under the captions "Plan of Distribution" and "Underwriting", insofar as they relate to legal matters or purport to describe the provisions of the documents referred to therein, are accurate descriptions in all material respects of such terms and such matters and fairly present the information required or purported to be set forth therein;

(ix) The Company is not an "investment company", as such term is defined in the Investment Company Act;

(x) The documents incorporated by reference in the Prospectus as amended or supplemented (other than the financial statements and other financial and accounting information included therein or omitted therefrom, as to which such counsel need express no opinion), when they were filed with the Commission, complied as to form in all material respects with the requirements of the Act or the Exchange Act, as applicable, and the rules and regulations of the Commission thereunder; and they have no reason to believe that any of such documents (other than the prospectus dated June 13, 2000 and filed with the Commission on June 14, 2000, which was prepared and filed without such counsel's participation and as to which such counsel need express no assurance), when they were so filed, as the case may be, included an untrue statement of a material fact or omitted to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made when such documents were so filed, not misleading; and

(xi) The Registration Statement and the Prospectus as amended or supplemented and any further amendments and supplements thereto made by the Company prior to the Time of Delivery for the Designated Securities (other than the financial statements and other financial information included therein or omitted therefrom, as to which such counsel need express no opinion) comply as to form in all material respects with the requirements of the Act and the Trust Indenture Act and the rules and regulations of the Commission thereunder;

Such opinion shall also state that, while such counsel has not verified, is not passing upon and assumes no responsibility for the accuracy, completeness or fairness of the statements contained in the Registration Statement or the Prospectus or documents incorporated therein by reference (except to the extent expressly provided in paragraph (viii) above), such counsel has generally reviewed and discussed such statements with certain officers and representatives of the Company and with the Company's independent accountants, and with the Underwriters and their counsel, and in the course of such review and discussions no facts came to the attention of such counsel that lead such counsel to believe (A) that, as of its effective date, the Registration Statement or any further amendment thereto made by the Company prior to the Time of Delivery or any document incorporated therein by reference at such time (other than financial statements and other financial and accounting information included therein or omitted therefrom, as to which such counsel need express no

assurance) contained an untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary to make the statements therein not misleading or (B) that, as of the date thereof or at the Time of Delivery, the Prospectus as amended or supplemented or any further amendment or supplement thereto made by the Company prior to the Time of Delivery or any document incorporated therein by reference at such time (other than the financial statements and other financial and accounting information included therein or omitted therefrom, as to which such counsel need express no assurance) included or includes an untrue statement of a material fact or omitted or omits to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. Such opinion may be made subject to the qualification that the enforceability of the terms of the Indenture and the Designated Securities may be limited by the effect of any applicable bankruptcy, fraudulent conveyance, insolvency, moratorium, reorganization or other similar laws affecting creditors' rights generally and to the discretionary nature of specific performance, injunctive relief and other equitable remedies, including the appointment of a receiver, and by general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law).

Such counsel may also state that certain provisions of the Indenture and the Designated Securities may not be enforceable in whole or in part, but that the inclusion of such provisions does not affect the validity of either of the Indenture or the Designated Securities taken together and each of the Indenture and the Designated Securities contains adequate provisions for enforcing payment of the obligations evidenced thereby and for the practical realization of the benefits intended to be provided thereby. Such counsel may rely upon certificates of public officials and officers of the Company and may limit such opinion to matters governed by the internal laws of the State of Michigan, applicable federal laws and the General Corporation Law of the State of Delaware;

(d) On the date of this Agreement, at the time of execution of the Pricing Agreement with respect to such Designated Securities and at the Time of Delivery for such Designated Securities, the independent accountants of the Company who have certified the financial statements of the Company and its subsidiaries included or incorporated by reference in the Registration Statement shall have furnished to the Representatives a letter, dated the effective date of the Registration Statement or the date of the most recent report filed with the Commission containing financial statements and incorporated by reference in the Registration Statement, if the date of such report is later than such effective date, a letter dated the date of such Pricing Agreement, and a letter dated such Time of Delivery, respectively, to the effect set forth in Annex II hereto and, with respect to such letter dated such Time of Delivery, as to such other matters as the Representatives may reasonably request and in form and substance satisfactory to the Representatives;

(e) Since the respective dates as of which information is given in the Prospectus as amended prior to the date of the Pricing Agreement relating to the Designated Securities there shall not have been any change, or any development involving a prospective change, in or affecting the general affairs, management, financial position, shareholders' equity or results of operations of the Company and its subsidiaries, otherwise than as set forth or contemplated in the Prospectus as amended prior to the date of the Pricing Agreement relating to the Designated Securities, the effect of which, in any such case, is in the judgment of the Representatives so material and adverse as to make it impracticable or inadvisable to proceed with the public offering or the delivery of the Designated Securities on the terms and in the manner contemplated in the Prospectus as first amended or supplemented relating to the Designated Securities;

(f) On or after the date of the Pricing Agreement relating to the Designated Securities (i) no downgrading shall have occurred in the rating accorded the Company's debt securities or preferred stock by any "nationally recognized statistical rating organization", as that term is defined by the Commission for purposes of Rule 436(g)(2) under the Act, and (ii) no such organization shall have publicly announced that it has under surveillance or review, with possible negative implications, its rating of any of the Company's debt securities or preferred stock;

(g) On or after the date of the Pricing Agreement relating to the Designated Securities there shall not have occurred any of the following: (i) a suspension or material limitation in trading in securities generally on the New York Stock Exchange; (ii) a suspension or material limitation in trading in the Company's securities on the New York Stock Exchange; (iii) a general moratorium on commercial banking activities declared by either Federal or New York State authorities; or (iv) the outbreak or escalation of hostilities involving the United States or the declaration by the United States of a national emergency or war, if the effect of any such event specified in this clause (iv) in the judgment of the Representatives makes it impracticable or inadvisable to proceed with the public offering or the delivery of the Designated Securities on the terms and in the manner contemplated in the Prospectus as first amended or supplemented relating to the Designated Securities;

(h) The Company shall have complied with the provisions of Section 5(c) hereof with respect to the furnishing of prospectuses on the New York Business Day next succeeding the date of this Agreement; and

(i) The Company shall have furnished or caused to be furnished to the Representatives at the Time of Delivery for the Designated Securities a certificate or certificates of officers of the Company satisfactory to the Representatives as to the accuracy of the representations and warranties of the Company herein at and as of such Time of Delivery, as to the performance by the Company of all of its obligations hereunder to be performed at or prior to such Time of Delivery, as to the matters set forth in subsections (a) and (e) of this Section and as to such other matters as the Representatives may reasonably request.

8. (a) The Company will indemnify and hold harmless each Underwriter against any losses, claims, damages or liabilities, joint or several, to which such Underwriter may become subject, under the Act or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in any Preliminary Prospectus, any preliminary prospectus supplement, the Registration Statement, the Prospectus as amended or supplemented and any other prospectus relating to the Securities, or any amendment or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and will reimburse each Underwriter for any legal or other expenses reasonably incurred by such Underwriter in connection with investigating or defending any such action or claim as such expenses are incurred; provided, however, that the Company shall not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in any Preliminary Prospectus, any preliminary prospectus supplement, the Registration Statement, the Prospectus as amended or supplemented and any other prospectus relating to the Securities, or any such amendment or supplement in reliance upon and in conformity with written information furnished to the Company by any Underwriter of Designated Securities through the Representatives expressly for use in the Prospectus as amended or supplemented relating to such Securities; and provided further that the Company shall not be liable to any Underwriter of Designated Securities or any person controlling such Underwriter under the indemnity agreement in this subsection (a) with respect to any such documents to the extent that any such loss, claim, damage or liability of such Underwriter or controlling person results from the fact that such Underwriter sold such Designated Securities to a person to whom there was not sent or given, at or prior to the written confirmation of such sale, a copy of the Prospectus or of the Prospectus as then amended or supplemented (excluding documents incorporated by reference), whichever is most recent, if the Company has previously furnished copies thereof to such Underwriter.

(b) Each Underwriter will indemnify and hold harmless the Company against any losses, claims, damages or liabilities to which the Company may become subject, under the Act or

otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon an untrue statement or alleged untrue statement of a material fact contained in any Preliminary Prospectus, any preliminary prospectus supplement, the Registration Statement, the Prospectus as amended or supplemented and any other prospectus relating to the Securities, or any amendment or supplement thereto, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, in each case to the extent, but only to the extent, that such untrue statement or alleged untrue statement or omission or alleged omission was made in any Preliminary Prospectus, any preliminary prospectus supplement, the Registration Statement, the Prospectus as amended or supplemented and any other prospectus relating to the Securities, or any such amendment or supplement in reliance upon and in conformity with written information furnished to the Company by such Underwriter through the Representatives expressly for use therein; and will reimburse the Company for any legal or other expenses reasonably incurred by the Company in connection with investigating or defending any such action or claim as such expenses are incurred.

(c) Promptly after receipt by an indemnified party under subsection (a) or (b) above of notice of the commencement of any action, such indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party under such subsection, notify the indemnifying party in writing of the commencement thereof; but the omission so to notify the indemnifying party shall not relieve it from any liability which it may have to any indemnified party otherwise than under such subsection. In case any such action shall be brought against any indemnified party and it shall notify the indemnifying party of the commencement thereof, the indemnifying party shall be entitled to participate therein and, to the extent that it shall wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel satisfactory to such indemnified party, and, after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof, the indemnifying party shall not be liable to such indemnified party under such subsection for any legal expenses of other counsel or any other expenses, in each case subsequently incurred by such indemnified party, in connection with the defense thereof other than reasonable costs of investigation. In any such action, any indemnified party shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such indemnified party unless (i) the indemnifying party shall have agreed in writing to pay such fees and expenses, (ii) the indemnifying party shall have failed to assume the defense of such proceeding and employ counsel reasonably satisfactory to the indemnified person in such proceeding or (iii) the named parties to any such proceeding (including any impleaded parties) include both the indemnifying party and the indemnified party and the representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. It is understood that the indemnifying party shall not, in connection with any proceeding or related proceedings in the same jurisdiction, be liable for the fees and expenses of more than one separate firm (in addition to local counsel) for all such indemnified parties and that all such fees and expenses shall be reimbursed as they are incurred. Such firm shall be designated in writing by the Representatives in the case of parties indemnified pursuant to subsection (a) and by the Company in the case of parties indemnified pursuant to subsection (b). The indemnifying party shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, the indemnifying party agrees to indemnify the indemnified party from and against all loss or liability by reason of such settlement or judgment. No indemnifying party shall, without the written consent of the indemnified party, effect the settlement or compromise of, or consent to the entry of any judgment with respect to, any pending or threatened action or claim in respect of which indemnification or contribution may be sought hereunder (whether or not the indemnified party is an actual or potential party to such action or claim) unless such settlement, compromise or judgment (i) includes an unconditional release of the indemnified party from all liability arising out of such action or claim and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act, by or on behalf of any indemnified party.

(d) If the indemnification provided for in this Section 8 is unavailable to or insufficient to hold harmless an indemnified party under subsection (a) or (b) above in respect of any losses, claims, damages or liabilities (or actions in respect thereof) referred to therein, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (or actions in respect thereof) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the Underwriters of the Designated Securities on the other from the offering of the Designated Securities to which such loss, claim, damage or liability (or action in respect thereof) relates. If, however, the allocation provided by the immediately preceding sentence is not permitted by applicable law or if the indemnified party failed to give the notice required under subsection (c) above, then each indemnifying party shall contribute to such amount paid or payable by such indemnified party in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Company on the one hand and the Underwriters of the Designated Securities on the other in connection with the statements or omissions which resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and such Underwriters on the other shall be deemed to be in the same proportion as the total net proceeds from such offering (before deducting expenses) received by the Company bear to the total underwriting discounts and commissions received by such Underwriters. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company on the one hand or such Underwriters on the other and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission, including, with respect to any such Underwriter, the extent to which such losses, claims, damages or liabilities (or actions in respect thereof) result from the fact that such Underwriter sold such Designated Securities to a person to whom there was not sent or given, at or prior to the written confirmation of such sale, a copy of the Prospectus or of the Prospectus as then amended or supplemented (excluding documents incorporated by reference), whichever is most recent, if the Company has previously furnished copies thereof to such Underwriter. The Company and the Underwriters agree that it would not be just and equitable if contribution pursuant to this subsection (d) were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to above in this subsection (d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to above in this subsection (d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this subsection (d), no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the applicable Designated Securities underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages which such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The obligations of the Underwriters of Designated Securities in this subsection (d) to contribute are several in proportion to their respective underwriting obligations with respect to such Securities and not joint.

(e) The obligations of the Company under this Section 8 shall be in addition to any liability which the Company may otherwise have and shall extend, upon the same terms and conditions, to each person, if any, who controls any Underwriter within the meaning of the Act; and the obligations of the Underwriters under this Section 8 shall be in addition to any liability which the respective Underwriters may otherwise have and shall extend, upon the same terms and conditions, to each officer and director of the Company and to each person, if any, who controls the Company within the meaning of the Act.

9. (a) If any Underwriter shall default in its obligation to purchase the Designated Securities which it has agreed to purchase under the Pricing Agreement relating to such Designated Securities, the Representatives may in their discretion arrange for themselves or another party or other parties to purchase such Designated Securities on the terms contained herein. If within thirty-six hours after such default by any Underwriter the Representatives do not arrange for the purchase of such Designated Securities, then the Company shall be entitled to a further period of thirty-six hours within which to procure another party or other parties satisfactory to the Representatives to purchase such Designated Securities on such terms. In the event that, within the respective prescribed period, the Representatives notify the Company that they have so arranged for the purchase of such Designated Securities, or the Company notifies the Representatives that it has so arranged for the purchase of such Designated Securities, the Representatives or the Company shall have the right to postpone the Time of Delivery for such Designated Securities for a period of not more than seven days, in order to effect whatever changes may thereby be made necessary in the Registration Statement or the Prospectus as amended or supplemented, or in any other documents or arrangements, and the Company agrees to file promptly any amendments or supplements to the Registration Statement or the Prospectus which in the opinion of the Representatives may thereby be made necessary. The term "Underwriter" as used in this Agreement shall include any person substituted under this Section with like effect as if such person had originally been a party to the Pricing Agreement with respect to such Designated Securities.

(b) If, after giving effect to any arrangements for the purchase of the Designated Securities of a defaulting Underwriter or Underwriters by the Representatives and the Company as provided in subsection (a) above, the aggregate principal amount of such Designated Securities which remains unpurchased does not exceed one-eleventh of the aggregate principal amount of the Designated Securities, then the Company shall have the right to require each non-defaulting Underwriter to purchase the principal amount of Designated Securities which such Underwriter agreed to purchase under the Pricing Agreement relating to such Designated Securities and, in addition, to require each non-defaulting Underwriter to purchase its pro rata share (based on the principal amount of Designated Securities which such Underwriter agreed to purchase under such Pricing Agreement) of the Designated Securities of such defaulting Underwriter or Underwriters for which such arrangements have not been made; but nothing herein shall relieve a defaulting Underwriter from liability for its default.

(c) If, after giving effect to any arrangements for the purchase of the Designated Securities of a defaulting Underwriter or Underwriters by the Representatives and the Company as provided in subsection (a) above, the aggregate principal amount of Designated Securities which remains unpurchased exceeds one-eleventh of the aggregate principal amount of the Designated Securities, as referred to in subsection (b) above, or if the Company shall not exercise the right described in subsection (b) above to require non-defaulting Underwriters to purchase Designated Securities of a defaulting Underwriter or Underwriters, then the Pricing Agreement relating to such Designated Securities shall thereupon terminate, without liability on the part of any non-defaulting Underwriter or the Company, except for the expenses to be borne by the Company and the Underwriters as provided in Section 6 hereof and the indemnity and contribution agreements in Section 8 hereof; but nothing herein shall relieve a defaulting Underwriter from liability for its default.

10. The respective indemnities, agreements, representations, warranties and other statements of the Company and the several Underwriters, as set forth in this Agreement or made by or on behalf of them, respectively, pursuant to this Agreement, shall remain in full force and effect, regardless of any investigation (or any statement as to the results thereof) made by or on behalf of any Underwriter or any controlling person of any Underwriter, or the Company, or any officer or director or controlling person of the Company, and shall survive delivery of and payment for the Securities.

11. If any Pricing Agreement shall be terminated pursuant to Section 9 hereof, the Company shall not then be under any liability to any Underwriter with respect to the Designated Securities covered by such Pricing Agreement except as provided in Sections 6 and 8 hereof; but, if for any other reason Designated Securities are not delivered by or on behalf of the Company as provided herein, the Company will reimburse the Underwriters through the Representatives for all out-of-pocket expenses approved in writing by the Representatives, including fees and disbursements of counsel, reasonably incurred by the Underwriters in making preparations for the purchase, sale and delivery of such Designated Securities, but the Company shall then be under no further liability to any Underwriter with respect to such Designated Securities except as provided in Sections 6 and 8 hereof.

12. In all dealings hereunder, the Representatives of the Underwriters of Designated Securities shall act on behalf of each of such Underwriters, and the parties hereto shall be entitled to act and rely upon any statement, request, notice or agreement on behalf of any Underwriter made or given by such Representatives jointly or by such of the Representatives, if any, as may be designated for such purpose in the Pricing Agreement.

All statements, requests, notices and agreements hereunder shall be in writing, and if to the Underwriters shall be delivered or sent by mail, telex or facsimile transmission to the address of the Representatives as set forth in the Pricing Agreement; and if to the Company shall be delivered or sent by mail, telex or facsimile transmission to the address of the Company set forth in the Registration Statement: Attention: General Counsel; provided, however, that any notice to an Underwriter pursuant to Section 8(c) hereof shall be delivered or sent by mail, telex or facsimile transmission to such Underwriter at its address set forth in its Underwriters' Questionnaire, or telex constituting such Questionnaire, which address will be supplied to the Company by the Representatives upon request. Any such statements, requests, notices or agreements shall take effect upon receipt thereof.

13. This Agreement and each Pricing Agreement shall be binding upon, and inure solely to the benefit of, the Underwriters, the Company and, to the extent provided in Sections 8 and 10 hereof, the officers and directors of the Company and each person who controls the Company or any Underwriter, and their respective heirs, executors, administrators, successors and assigns, and no other person shall acquire or have any right under or by virtue of this Agreement or any such Pricing Agreement. No purchaser of any of the Securities from any Underwriter shall be deemed a successor or assign by reason merely of such purchase.

14. Time shall be of the essence of each Pricing Agreement. As used herein: "business day" shall mean any day when the Commission's office in Washington, D.C. is open for business; and "New York Business Day" shall mean any calendar day that is not a Saturday, Sunday or legal holiday in New York, New York and on which commercial banks are open for business in New York, New York.

15. This Agreement and each Pricing Agreement shall be governed by and construed in accordance with the laws of the State of New York.

16. This Agreement and each Pricing Agreement may be executed by any one or more of the parties hereto and thereto in any number of counterparts, each of which shall be deemed to be an original, but all such respective counterparts shall together constitute one and the same instrument.

If the foregoing is in accordance with your understanding, please sign and return to us counterparts hereof.

Very truly yours,

[OTHER TERMS]:

Pursuant to Section 7(d) of the Underwriting Agreement, the accountants shall furnish letters to the Underwriters to the effect that:

- (i) They are independent certified public accountants with respect to the Company and its subsidiaries within the meaning of the Act and the applicable published rules and regulations thereunder, and the statement in each Registration Statement in answer to Item 10 of Form S-3 is accurate insofar as it relates to them;
- (ii) In their opinion, the audited consolidated financial statements of the Company and its subsidiaries included or incorporated by reference in the Company's Registration Statement on Form S-1 or Annual Report on Form 10-K most recently filed with the Commission and covered by their report included therein (the "audited financials") comply as to form in all material respects with the applicable accounting requirements of the Act or the Exchange Act, as applicable, and the published rules and regulations under the Act or the Exchange Act, as applicable;
- (iii) On the basis of limited procedures, not constituting an audit, which have been carried out through a specified date not more than two business days prior to the date of each such letter,* including (1) performing the procedures specified by the American Institute of Certified Public Accountants for review of interim financial information as described in Statements on Auditing Standards No. 71, "Interim Financial Information," on the unaudited consolidated financial statements of the Company and its subsidiaries included in the Company's Registration Statement on Form S-1 or Quarterly Reports on Form 10-Q filed with the Commission from the beginning of the Company's fiscal year through the date of such letter (the "quarterly financials"), (2) a reading of the minutes of the meetings of the Board of Directors, and stockholders of the Company since the date of the audited financials, (3) inquiries of certain officials of the Company responsible for financial and accounting matters as to transactions and events subsequent to the date of the audited financials, and (4) such other procedures and inquiries as may be described in each such letter, nothing has come to their attention which has caused them to believe that:
- (iv) Any material modifications should be made to the quarterly financials for them to be in conformity with generally accepted accounting principles; or
- (v) The quarterly financials do not comply as to form in all material respects with the applicable accounting requirements of the Exchange Act and the related published rules and regulations; or
- (vi) As of the last day of the month immediately preceding the date of such letter, unless such day is less than five business days prior to the date of such letter, in which case as of the last day of the second month immediately preceding the date of such letter (or such other date as shall be mutually agreed upon by the Company and the Representative), there was any change with respect to the Company and its subsidiaries in the capital stock other than changes resulting from acquisitions or issuances of shares relating to employee benefit plans or any net change in aggregate debt as of the date of its most recent quarterly financial statements, as compared in each case with the corresponding amounts of outstanding debt in the balance sheets of the Company and each of such subsidiaries as of the date of their most recent quarterly financial statements, except, in all instances, for changes which the most recent report filed by the Company or any such subsidiary with the Commission containing financial statements disclosed have occurred or may occur or which are described in such letter; and

(vii) They have performed certain specified procedures, including comparisons with certain specified accounting records of the Company and its subsidiaries, with respect to certain items of information included in each Registration Statement, in the reports filed with the Commission from the beginning of the Company's fiscal year through the date of such letter* and, in the case of each letter to be delivered pursuant to Section 7(d) of the Underwriting Agreement, in the Prospectus as amended or supplemented through the date of such letter, and have found such items to be in agreement with such records.

(viii) Based on reading of any unaudited pro forma consolidated condensed financial statements included in or incorporated by reference in the Prospectus and inquiry of officials who have responsibility for financial and accounting matters about the basis for the determination of pro forma adjustments, nothing has come to their attention that the unaudited pro forma condensed consolidated financial statements do not comply as to form in all material respects with the applicable accounting requirements of the Act and the rules and regulations adopted by the Commission thereunder or the pro forma adjustments have not been properly applied to the historical amounts in the compilation of those statements.

** In the case of letters delivered pursuant to Section 7(d) of the Underwriting Agreement, such procedures will be carried out through a specified date not more than two business days prior to the effective date of the Registration Statement or not more than two business days prior to the most recent report filed with the Commission containing financial statements, if the date of such report is later than such effective date.

A supplement to the Prospectus relating to the Designated Securities, in the form heretofore delivered to you, is now proposed to be filed with the Commission.

Each of the Underwriters hereby agrees that it will not offer, sell or deliver any of the Designated Securities, directly or indirectly, or distribute the Prospectus Supplement dated July 31, 2000 (the "Prospectus Supplement") or the accompanying Prospectus or any other offering material relating to the Designated Securities, in or from any jurisdiction outside the United States except under circumstances that will, to the best knowledge and belief of such Underwriter, result in compliance with the applicable laws and regulations thereof and which will not impose any obligations on the Company except as set forth in the Underwriting Agreement and this Pricing Agreement.

Each Underwriter hereby acknowledges that the Prospectus Supplement and the accompanying Prospectus have not been registered with the Registrar of Companies in Singapore and that the Designated Securities are offered in Singapore pursuant to an exemption invoked under section 106C of the Companies Act, Chapter 50 of Singapore (the "Singapore Companies Act"). Each of the Underwriters hereby agrees that it has not offered or sold, and it will not offer or sell, directly or indirectly, any of the Designated Securities in or to residents of Japan or to any persons for reoffering or resale, directly or indirectly, in Japan or to any resident of Japan except pursuant to an exemption from the registration requirements of the Securities and Exchange Law available thereunder and in compliance with the other relevant laws of Japan.

Each Underwriter hereby represents and agrees that (a) it has not offered or sold, and, prior to the expiration of the period of six months from the closing date for the issue of the Designated Securities will not offer or sell any Designated Securities to persons in the United Kingdom, except to those persons whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or agent) for the purpose of their businesses or otherwise in circumstances which have not resulted and will not result in an offer to the public in the United Kingdom within the meaning of the Public Offers of Securities Regulations 1995, (b) it has complied and will comply with all applicable provisions of the Financial Services Act 1986, with respect to anything done by it in relation to the Designated Securities in, from or otherwise involving the United Kingdom, and (c) it has only issued or passed on and will only issue or pass on in the United Kingdom any document received by it in connection with the issue of the Designated Securities to a person who is of a kind described in Article 11(3) of the Financial Services Act 1986 (Investment Advertisements) (Exemptions) Order 1996, as amended, or is a person to whom the document may otherwise lawfully be issued or passed on.

Subject to the terms and conditions set forth herein and in the Underwriting Agreement incorporated herein by reference, the Company agrees to issue and sell to each of the Underwriters, and each of the Underwriters agrees, severally and not jointly, to purchase from the Company, at the time and place and at the purchase prices to the Underwriters set forth in Schedules II and III hereto, the principal amounts of Designated Securities set forth opposite the name of such Underwriter in Schedule I hereto.

ANNEX II

Pursuant to Section 7(d) of the Underwriting Agreement, the accountants shall furnish letters to the Underwriters to the effect that:

(i) They are independent certified public accountants with respect to the Company and its subsidiaries within the meaning of the Act and the applicable published rules and regulations thereunder, and the statement in each Registration Statement in answer to Item 10 of Form S-3 is accurate insofar as it relates to them;

(ii) In their opinion, the audited consolidated financial statements of the Company and its subsidiaries included or incorporated by reference in the Company's Registration Statement on Form S-1 or Annual Report on Form 10-K most recently filed with the Commission and covered by their report included therein (the "audited financials") comply as to form in all material respects with the applicable accounting requirements of the Act or the Exchange Act, as applicable, and the published rules and regulations under the Act or the Exchange Act, as applicable;

(iii) On the basis of limited procedures, not constituting an audit, which have been carried out through a specified date not more than two business days prior to the date of each such letter,* including (1) performing the procedures specified by the American Institute of Certified Public Accountants for a review of interim financial information as described in Statements on Auditing Standards No. 71, "Interim Financial Information," on the unaudited consolidated financial statements of the Company and its subsidiaries included in the Company's Registration Statement on Form S-1 or Quarterly Reports on Form 10-Q filed with the Commission from the beginning of the Company's fiscal year through the date of such letter (the "quarterly financials"), (2) a reading of the minutes of the meetings of the Board of Directors, and stockholders of the Company since the date of the audited financials, (3) inquiries of certain officials of the Company responsible for financial and accounting matters as to transactions and events subsequent to the date of the audited financials, and (4) such other procedures and inquiries as may be described in each such letter, nothing has come to their attention which has caused them to believe that:

(iv) Any material modifications should be made to the quarterly financials for them to be in conformity with generally accepted accounting principles; or

(v) The quarterly financials do not comply as to form in all material respects with the applicable accounting requirements of the Exchange Act and the related published rules and regulations; or

(vi) As of the last day of the month immediately preceding the date of such letter, unless such day is less than five business days prior to the date of such letter, in which case as of the last day of the second month immediately preceding the date of such letter (or such other date as shall be mutually agreed upon by the Company and the Representative), there was any change with respect to the Company and its subsidiaries in the capital stock other than changes resulting from acquisitions or issuances of shares relating to employee benefit plans or any net change in aggregate debt as of the date of its most recent quarterly financial statements, as compared in each case with the corresponding amounts of outstanding debt in the balance sheets of the Company and each of such subsidiaries as of the date of their most recent quarterly financial statements, except, in all instances, for changes which the most recent report filed by the Company or any such subsidiary with the Commission containing financial statements disclosed have occurred or may occur or which are described in such letter; and

(vii) They have performed certain specified procedures, including comparisons with certain specified accounting records of the Company and its subsidiaries, with respect to certain items of information included in each Registration Statement, in the reports filed with the Commission from the beginning of the Company's fiscal year through the date of such letter* and, in the case of each letter to be delivered pursuant to Section 7(d) of the Underwriting Agreement, in the Prospectus as amended or supplemented through the date of such letter, and have found such items to be in agreement with such records.

(viii) Based on reading of any unaudited pro forma consolidated condensed financial statements included in or incorporated by reference in the Prospectus and inquiry of officials who have responsibility for financial and accounting matters about the basis for the determination of pro forma adjustments, nothing has come to their attention that the unaudited pro forma condensed consolidated financial statements do not comply as to form in all

material respects with the applicable accounting requirements of the Act and the rules and regulations adopted by the Commission thereunder or the pro forma adjustments have not been properly applied to the historical amounts in the compilation of those statements.

* In the case of letters delivered pursuant to Section 7(d) of the Underwriting Agreement, such procedures will be carried out through a specified date not more than two business days prior to the effective date of the Registration Statement or not more than two business days prior to the most recent report filed with the Commission containing financial statements, if the date of such report is later than such effective date.

This is one of the Securities of the series designated therein referred to in the within-mentioned Indenture.

Bank One Trust Company, N.A.,
as Trustee,

By:

Authorized Signatory

SECTION 2.03. Form, Execution, Authentication, Delivery and Dating of Securities. The Securities of each series and the Coupons, if any, to be attached thereto, shall be in the forms approved from time to time by or pursuant to a Board Resolution, or established in one or more indentures supplemental hereto, and may have such letters, numbers or other marks of identification or designation and such legends or endorsements printed, lithographed or engraved thereon as the Corporation may deem appropriate and as are not inconsistent with the provisions of this Indenture, or as may be required to comply with any law or with any rule or regulation made pursuant thereto or with any rule or regulation of any securities exchange on which the Securities may be listed, or to conform to usage.

Each Security and Coupon shall be executed on behalf of the Corporation by its Chairman of the Board of Directors or the President or any Vice President or its Treasurer or any Assistant Treasurer and the Secretary or any Assistant Secretary, or, if the other signatory is other than the Treasurer or any Assistant Treasurer, any assistant Treasurer, under its Corporate seal. Such signatures may be the manual or facsimile signatures of the present or any future such officers. The seal of the Corporation may be in the form of a facsimile thereof and may be impressed, affixed, imprinted or otherwise reproduced on the Securities.

Each Security and Coupon bearing the manual or facsimile signatures of individuals who were at any time the proper officers of the Corporation shall bind the Corporation, notwithstanding that such individuals or any of them have ceased to hold such offices prior to the authentication and delivery of such Security, or the Security to which such Coupon appertains. At any time and from time to time after the execution and delivery of this Indenture, the Corporation may deliver Securities of any series executed by the Corporation and, in the case of Coupon Securities, having attached thereto appropriate Coupons, to the Trustee for authentication, together with a Corporation Order for the authentication and delivery of such Securities, and the Trustee in accordance with such Corporation Order shall authenticate and deliver such Securities. If the form or terms of the Securities or Coupons of the series have been established in or pursuant to one or more Board Resolutions as permitted by this Section and Section 2.01, in authenticating such Securities and accepting the additional responsibilities under this Indenture in relation to such Securities, the Trustee shall be entitled to receive, and (subject to Section 7.01) shall be fully protected in relying upon, an Opinion of Counsel stating:

(a) if the form of such Securities or Coupons has been established by or pursuant to Board Resolution as permitted by Section 2.01, that such form has been established in conformity with the provisions of this Indenture;

(b) if the terms of such Securities have been established by or pursuant to Board Resolution as permitted by Section 2.01, that such terms have been established in conformity with the provisions of this Indenture; and

(c) that each such Security and Coupon, when authenticated and delivered by the Trustee and issued by the Corporation in the manner and subject to any conditions specified in such Opinion of Counsel, will constitute valid and legally binding obligations of the Corporation, enforceable in accordance with its terms, subject to bankruptcy, insolvency, fraudulent conveyance, reorganization, moratorium and other laws of general applicability relating to or affecting the enforcement of creditors' rights and to general equity principles, whether applied in a proceeding at law or in equity. If such form or terms have been so established, the Trustee shall not be required to authenticate such Securities if the issue of such Securities pursuant to this Indenture will affect the Trustee's own rights, duties or immunities under the Securities and the Indenture or otherwise in a manner that is not reasonably acceptable to the Trustee.

Every Registered Security shall be dated the date of its authentication. Each Unregistered Security shall be dated as provided in or pursuant to the Board Resolution or supplemental indenture referred to in Section 2.01 or, if no such terms are specified, the date of its original issuance.

No Security shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Security a certificate of authentication substantially in the form provided for herein executed by the Trustee by manual signature, and such certificate upon any Security shall be conclusive evidence, and the only evidence, that such Security has been duly authenticated and delivered hereunder and is entitled to the benefits of this Indenture. Notwithstanding the foregoing, if any Security shall have been duly authenticated and delivered hereunder but never issued and sold by the Corporation, and the Corporation shall deliver such Security to the Trustee for cancellation as provided in Section 2.08 together with a written statement (which need not comply with Section 14.04 and need not be accompanied by an Opinion of Counsel) stating that such Security has never been issued and sold by the Corporation, for all purposes of this Indenture such Security shall be deemed never to have been authenticated and delivered hereunder and shall never be entitled to the benefits of this Indenture.

If the Corporation shall establish pursuant to Section 2.01 that the Securities of a series are to be issued in whole or in part in the form of a Global Security, then the Corporation shall execute and the Trustee shall in accordance with this Section and the Corporation Order with respect to such series authenticate and deliver the Global Security that (i) shall represent and shall be denominated in an aggregate amount equal to the aggregate principal amount of outstanding Securities of such series to be represented by the Global Security, (ii) shall be registered, if in registered form, in the name of the Depository for such Global Security or the nominee of such Depository, and (iii) shall be delivered by the Trustee to such Depository or pursuant to such Depository's instructions.

Each Depository designated pursuant to Section 2.01 for a Global Security in registered form must, at the time of its designation and at all times while it serves as Depository, be a clearing agency

registered under the Securities Exchange Act of 1934, as amended, and any other applicable statute or regulation.

SECTION 2.04. Denominations; Record Date. The Securities shall be issuable as Registered Securities or Unregistered Securities in such denominations as may be specified as contemplated in Section 2.01. In the absence of any such specification with respect to any series, such Securities shall be issuable in the denomination contemplated by Section 2.01.

The term "record date" as used with respect to an Interest Payment Date (except a date for payment of defaulted interest) shall mean such day or days as shall be specified in the terms of the Registered Securities of any particular series as contemplated by Section 2.01; provided, however, that in the absence of any such provisions with respect to any series, such term shall mean (1) the last day of the calendar month next preceding such Interest Payment Date if such Interest Payment Date is the fifteenth day of a calendar month; or (2) the fifteenth day of a calendar month next preceding such Interest Payment Date if such Interest Payment Date is the first day of the calendar month.

The person in whose name any Registered Security is registered at the close of business on the Regular Record Date with respect to an Interest Payment Date shall be entitled to receive the interest payable and Additional Amounts, if any, payable on such Interest Payment Date notwithstanding the cancellation of such Registered Security upon any transfer or exchange thereof subsequent to such Regular Record Date and prior to such Interest Payment Date; provided, however, that if and to the extent the Corporation shall default in the payment of the interest and Additional Amounts, if any, due on such Interest Payment Date, such defaulted interest and Additional Amounts, if any, shall be paid to the persons in whose names outstanding Registered Securities are registered on a subsequent record date established by notice given by mail by or on behalf of the Corporation to the Holders of Securities of the series in default not less than fifteen days preceding such subsequent record date, such record date to be not less than five days preceding the date of payment of such defaulted interest.

SECTION 2.05. Exchange and Registration of Transfer of Securities. Registered securities of any series may be exchanged for a like aggregate principal amount of Registered Securities of other authorized denominations of such series. Registered Securities to be exchanged shall be surrendered at the office or agency to be designated and maintained by the Corporation for such purpose in the Borough of Manhattan, The City of New York, in accordance with the provisions of Section 4.02, and the Corporation shall execute and register and the Trustee shall authenticate and deliver in exchange therefor the Registered Security or Registered Securities that the Holder making the exchange shall have been entitled to receive.

If the Securities of any series are issued in both registered and unregistered form, except as otherwise specified pursuant to Section 2.01, at the option of the Holder thereof, Unregistered Securities of any series may be exchanged for Registered Securities of such series of any authorized denominations and of a like aggregate principal amount, upon surrender of such Unregistered Securities to be exchanged at the agency of the Corporation that shall be maintained for such purpose in accordance with Section 4.02, with, in the case of Unregistered Securities that are Coupon Securities, all unmatured Coupons and all matured Coupons in default thereto appertaining. At the option of the Holder thereof, if Unregistered Securities of any series are issued in more than one authorized denomination, except as otherwise specified pursuant to Section 2.01, such Unregistered Securities may be exchanged for Unregistered Securities of such series of other authorized denominations and of a like aggregate principal amount,

upon surrender of such Unregistered Securities to be exchanged at the agency of the Corporation that shall be maintained for such purpose in accordance with Section 4.02 or as specified pursuant to Section 2.01, with, in the case of Unregistered Securities that are Coupon Securities, all unmatured Coupons and all matured Coupons in default thereto appertaining. Unless otherwise specified pursuant to Section 2.01, Registered Securities of any series may not be exchanged for Unregistered Securities of such series. Whenever any Securities are so surrendered for exchange the Corporation shall execute, and the Trustee shall authenticate and deliver, the Securities that the Holder making the exchange is entitled to receive.

The Corporation or its designated agent (the "Security Registrar") shall keep, at such office or agency, a Security Register (the "Security Register") in which, subject to such reasonable regulations as it may prescribe, the Corporation shall register Securities and shall register the transfer of Registered Securities as provided in this Article Two. The Security Register shall be in written form or in any other form capable of being converted into written form within a reasonable time. At all reasonable times the Security Register shall be open for inspection by the Trustee. Upon due presentment for registration of transfer of any Registered Security of a particular series at such office or agency, the Corporation shall execute and the Corporation or the Security Registrar shall register and the Trustee shall authenticate and deliver in the name of the transferee or transferees a new Registered Security or Registered Securities of such series for an equal aggregate principal amount.

Unregistered Securities (except for any temporary bearer Securities) and Coupons shall be transferable by delivery.

All Securities presented for registration of transfer or for exchange, redemption or payment, as the case may be, shall (if so required by the Corporation or the Trustee) be duly endorsed by, or be accompanied by, a written instrument or instruments of transfer in form satisfactory to the Corporation and the Trustee duly executed by the Holder or his, her or its attorney duly authorized in writing.

No service charge shall be made for any exchange or registration of transfer of Registered Securities, but the Corporation may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection therewith.

The Corporation shall not be required to exchange or register a transfer of (a) any Registered Securities of any series for a period of fifteen days next preceding any selection of Registered Securities of such series to be redeemed, or (b) any Security of any such series selected for redemption except in the case of any such series to be redeemed in part, the portion thereof not to be so redeemed.

Notwithstanding anything herein or in the terms of any series of Securities to the contrary, neither the Corporation nor the Trustee (which shall rely on an Officers' Certificate and an Opinion of Counsel) shall be required to exchange any Unregistered Security for a Registered Security if such exchange would result in adverse Federal income tax consequences to the Corporation (including the inability of the Corporation to deduct from its income, as computed for Federal income tax purposes, the interest payable on any Securities) under then applicable United States Federal income tax laws.

SECTION 2.06. Temporary Securities. Pending the preparation of definitive Securities of any series, the Corporation may execute and on receipt of a Corporation Order the Trustee shall authenticate and deliver temporary Securities of such series (printed or lithographed). Temporary Securities of any series shall be issuable in any authorized denominations, and in the form approved from time to time by or pursuant to a Board Resolution but with such omissions, insertions and variations as may be appropriate for temporary Securities, all as may be determined by the Corporation. Every temporary Security shall be executed by the Corporation and authenticated by the Trustee upon the same conditions and in substantially the same manner, and with like effect, as the definitive Securities. Without unnecessary delay the Corporation shall execute and furnish definitive Securities of such series and thereupon any or all temporary Registered Securities of such series may be surrendered in exchange therefor without charge at the office or agency to be designated and maintained by the Corporation for such purpose in the Borough of Manhattan, The City of New York, in accordance with the provisions of Section 4.02 and in the case of Unregistered Securities at any agency maintained by the Corporation for such purpose as specified pursuant to Section 2.01, and the Trustee shall authenticate and deliver in exchange for such temporary Securities an equal aggregate principal amount of definitive Securities of the same series of authorized denominations and in the case of such Securities that are Coupon Securities, having attached thereto the appropriate Coupons. Until so exchanged the temporary Securities of any series shall be entitled to the same benefits under this Indenture as definitive Securities of such series. The provisions of this Section 2.06 are subject to any restrictions or limitations on the issue and delivery of temporary unregistered Securities of any series that may be established pursuant to Section 2.01 (including any provision that Unregistered Securities of such series initially be issued in the form of a single global Unregistered Security to be delivered to a depositary or agency of the Corporation located outside the United States and the procedures pursuant to which definitive Unregistered Securities of such series would be issued in exchange for such temporary global Unregistered Security).

SECTION 2.07. Mutilated, Destroyed, Lost or Stolen Securities. In case any temporary or definitive Security of any series or, in the case of a Coupon Security, any Coupon appertaining thereto, shall become mutilated or be destroyed, lost or stolen, the Corporation in the case of a mutilated Security or Coupon shall, and in the case of a lost, stolen or destroyed Security or Coupon may, in its discretion, execute, and upon receipt of a Corporation Order the Trustee shall authenticate and deliver, a new Security of the same series as the mutilated, destroyed, lost or stolen Security or, in the case of a Coupon Security, a new Coupon Security of the same series as the mutilated, destroyed, lost or stolen Coupon Security or, in the case of a Coupon, a new Coupon of the same series as the Coupon Security to which such mutilated, destroyed, lost or stolen Coupon appertains, bearing a number not contemporaneously outstanding, in exchange and substitution for the mutilated Security, or in lieu of and in substitution for the Security so destroyed, lost or stolen or in exchange for the Coupon Security to which such mutilated, destroyed, lost or stolen Coupon appertains, with all appurtenant Coupons not destroyed, lost or stolen. In every case the applicant for a substituted Security or Coupon shall furnish to the Corporation and to the Trustee such security or indemnity as may be required by them to save each of them harmless, and, in every case of destruction, loss or theft, the applicant shall also furnish to the Corporation and to the Trustee evidence to their satisfaction of the destruction, loss or theft of such Security or Coupon, as the case may be, and of the ownership thereof. Upon the issuance of any substituted Security or Coupon, the Corporation may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses connected therewith and in addition a further sum not exceeding ten dollars for each Security so issued in substitution. In case any Security or Coupon which has matured or is about to mature shall become mutilated or be destroyed, lost or stolen, the Corporation may, instead of issuing a substituted Security, pay or authorize the payment of the same

(without surrender thereof except in the case of a mutilated Security or Coupon) if the applicant for such payment shall furnish the corporation and the Trustee with such security or indemnity as they may require to save them harmless and, in case of destruction, loss or theft, evidence to the satisfaction of the Corporation and the Trustee of the destruction, loss or theft of such Security or Coupon and of the ownership thereof.

Every substituted Security with, in the case of any such Security that is a Coupon Security, its Coupons, issued pursuant to the provisions of this Section by virtue of the fact that any Security or Coupon is destroyed, lost or stolen shall, with respect to such Security or Coupon, constitute an additional contractual obligation of the Corporation, whether or not the destroyed, lost or stolen Security or Coupon shall be found at any time, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities, and the Coupons appertaining thereto, duly issued hereunder.

All Securities and any Coupons appertaining thereto shall be held and owned upon the express condition that the foregoing provisions are exclusive with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities and Coupons appertaining thereto and shall, to the extent permitted by law, preclude any and all other rights or remedies, notwithstanding any law or statute existing or hereafter enacted to the contrary with respect to the replacement or payment of negotiable instruments or other securities without their surrender.

SECTION 2.08. Cancellation. All Securities surrendered for payment, redemption, exchange or registration of transfer, and all Coupons surrendered for payment as the case may be, shall, if surrendered to the Corporation or any agent of the Corporation or of the Trustee, be delivered to the Trustee and promptly cancelled by it or, if surrendered to the Trustee, be cancelled by it, and no Securities or Coupons, shall be issued in lieu thereof except as expressly permitted by any of the provisions of this Indenture. The Trustee shall destroy cancelled Securities and Coupons and deliver a certificate of destruction to the Corporation.

SECTION 2.09. Computation of Interest. Except as otherwise specified as contemplated by Section 2.01 for Securities of any series, interest on the Securities of each series shall be computed on the basis of a 360-day year of twelve 30-day months.

SECTION 2.10. Securities in Global Form. If Securities of a series are issuable in global form, as specified as contemplated by Section 2.01, then, notwithstanding clause (9) of Section 2.01 and the provisions of Section 2.04, such Global Security shall represent such of the outstanding Securities of such series as shall be specified therein and may provide that it shall represent the aggregate amount of outstanding Securities from time to time endorsed thereon and that the aggregate amount of outstanding Securities represented thereby may from time to time be reduced to reflect exchanges. Any endorsement of a Security in global form to reflect the amount, or any increase or decrease in the amount, of outstanding Securities represented thereby shall be made by the Trustee in such manner and upon instructions given by such Person or Persons as shall be specified therein or in the Corporation Order to be delivered to the Trustee pursuant to Section 2.03 or Section 2.06. Subject to the provisions of Section 2.03 and, if applicable, Section 2.06, the Trustee shall deliver and redeliver any Security in definitive global bearer form in the manner and upon written instructions given by the Person or Persons specified therein or in the applicable Corporation Order. If a Corporation Order pursuant to Section 2.03 or 2.06 has been, or simultaneously is, delivered, any instructions by the Corporation with respect to endorsement or delivery or redelivery of a Security in global form shall be in writing but need not comply with Section

14.04 and need not be accompanied by an opinion of Counsel. The beneficial owner of a Security represented by a definitive Global Security in bearer form may, upon no less than 30 days written notice to the Trustee, given by the beneficial owner through a Depository, exchange its interest in such definitive Global Security for a definitive bearer Security or Securities, or a definitive Registered Security or Securities, of any authorized denomination, subject to the rules and regulations of such Depository and its members. No individual definitive bearer Security will be delivered in or to the United States.

The provisions of the last sentence of the third to the last paragraph of Section 2.03 shall apply to any Security represented by a Security in global form if such Security was never issued and sold by the Corporation and the Corporation delivers to the Trustee the Security in global form together with written instructions (which need not comply with Section 14.04 and need not be accompanied by an Opinion of Counsel) with regard to the reduction in the principal amount of Securities represented thereby together with the written statement contemplated by the last sentence of the third to the last paragraph of Section 2.03.

Unless otherwise specified as contemplated by Section 2.01, payment of principal of, and any premium and any interest on, any Security in definitive global form shall be made to the Person or Persons specified therein.

SECTION 2.11. Medium-Term Securities. Notwithstanding any contrary provision herein, if all Securities of a series are not to be originally issued at one time, it shall not be necessary to deliver the Corporation Order, Officers' Certificate, supplemental indenture or Opinion of Counsel otherwise required pursuant to Sections 2.01, 2.03, 2.06, and 14.04 at or prior to the time of authentication of each Security of such series if such documents are delivered at or prior to the authentication upon original issuance of the first Security of such series to be issued.

An Officers' Certificate or supplemental indenture, delivered pursuant to this Section 2.11 in the circumstances set forth in the preceding paragraph may provide that Securities which are the subject thereof will be authenticated and delivered by the Trustee on original issue from time to time upon the written order of persons designated in such Officers' Certificate or supplemental indenture and that such persons are authorized to determine, consistent with such Officers' Certificate or any applicable supplemental indenture such terms and conditions of said Securities as are specified in such Officers' Certificate or supplemental indenture, provided that the foregoing procedure is acceptable to the Trustee.

SECTION 2.12. CUSIP Numbers. The Corporation, in issuing the Securities, may use "CUSIP" numbers (if then generally in use), and, if so, the Trustee shall use "CUSIP" numbers in notices of redemption as a convenience to Holders; provided that any such notice may state that no representation is made as to the correctness of such numbers either as printed on the Securities or as contained in any notice of a redemption and that reliance may be placed only on the other identification numbers printed on the Securities, and any such redemption shall not be affected by any defect in or omission of such numbers. The Corporation will promptly notify the Trustee of any change in the "CUSIP" numbers.

ARTICLE III.

REDEMPTION OF SECURITIES.

SECTION 3.01. Redemption of Securities; Applicability of Article. Redemption of Securities of any series as permitted or required by the terms thereof shall be made in accordance with such terms and this Article; provided, however, that if any provision of any series of Securities shall conflict with any provision of this Article, the provision of such series of Securities shall govern.

The notice date for a redemption of Securities shall mean the date on which notice of such redemption is given in accordance with the provisions of Section 3.02 hereof.

SECTION 3.02. Notice of Redemption; Selection of Securities. The election of the Corporation to redeem any Securities shall be evidenced by an Officers' Certificate. In case the Corporation shall desire to exercise the right to redeem all, or, as the case may be, any part, of a series of Securities pursuant to the terms and provisions applicable to such series, it shall fix a date for redemption and shall mail a notice of such redemption at least thirty and not more than sixty days prior to the date fixed for redemption to the Holders of the Securities of such series that are Registered Securities to be redeemed as a whole or in part, at their last addresses as the same appear on the Security Register. Such mailing shall be by prepaid first class mail. Any notice which is mailed in the manner herein provided shall be conclusively presumed to have been duly given, whether or not the Holder shall have received such notice. In any case, failure to give notice by mail, or any defect in the notice to the Holder of any Security of a series designated for redemption as a whole or in part shall not affect the validity of the proceedings for the redemption of any other Security of such series.

Notice of redemption to the Holders of Unregistered Securities to be redeemed as a whole or in part, who have filed their names and addresses with the Trustee as described in Section 313(c) of the Trust Indenture Act of 1939, shall be given by mailing notice of such redemption, by first class mail, postage prepaid, at least thirty days and not more than sixty days prior to the date fixed for redemption, to such Holders at such addresses as were so furnished to the Trustee (and, in the case of any such notice given by the Corporation, the Trustee shall make such information available to the Corporation for such purpose). Notice of redemption to any other Holder of an Unregistered Security of such series shall be published in an Authorized Newspaper in the Borough of Manhattan, The City of New York and in an Authorized Newspaper in London (and, if required by Section 4.04, in an Authorized Newspaper in Luxembourg), in each case, once in each of two successive calendar weeks, the first publication to be not less than thirty nor more than sixty days prior to the date fixed for redemption. Any notice that is mailed in the manner herein provided shall be conclusively presumed to have been duly given, whether or not the Holder shall have received such notice. In any case, failure to give notice by mail, or any defect in the notice to the Holder of any Security of a series designated for redemption as a whole or in part shall not affect the validity of the proceedings for the redemption of any other Security of such series.

Each such notice of redemption shall specify the provisions of such Securities under which such redemption is made, that the conditions precedent, if any, to such redemption have occurred, shall describe the same and the date fixed for redemption, the redemption price at which such Securities are to be redeemed, the Place of Payment, that payment will be made upon presentation and surrender of such Securities and, in the case of Coupon Securities, of all Coupons appertaining thereto maturing after the date fixed for redemption, that interest and Additional Amounts, if any, accrued to the date fixed for

redemption will be paid as specified in said notice, and that on and after said date interest, if any, thereon or on the portions thereof to be redeemed will cease to accrue. If fewer than all of the Securities of a series are to be redeemed any notice of redemption published in an Authorized Newspaper shall specify the numbers of the Securities to be redeemed and, if applicable, the CUSIP Numbers thereof. In case any Security is to be redeemed in part only, the notice of redemption shall state the portion of the principal amount thereof to be redeemed and shall state that upon surrender of such Security, a new Security or Securities in principal amount equal to the unredeemed portion thereof will be issued of the same series.

At least one Business Day prior to the redemption date specified in the notice of redemption given for Unregistered Securities as provided in this Section and on or prior to the redemption date specified in the notice of redemption given for all Securities other than Unregistered Securities, the Corporation will deposit in trust with the Trustee or with one or more Paying Agents an amount of money sufficient to redeem on the redemption date all the Securities or portions of Securities so called for redemption at the appropriate redemption price, together with interest, if any, and Additional Amounts, if any, accrued to the date fixed for redemption. The Corporation will give the Trustee notice of each redemption at least forty-five days prior to the date fixed for redemption (unless a shorter notice is acceptable to the Trustee) as to the aggregate principal amount of Securities to be redeemed.

If fewer than all of the Securities of a series are to be redeemed, the Trustee shall select, pro rata or by lot or in such other manner as it shall deem reasonable and fair, the numbers of the Securities to be redeemed in whole or in part.

SECTION 3.03. Payment of Securities Called for Redemption. If notice of redemption has been given as above provided, the Securities or portions of Securities with respect to which such notice has been given shall become due and payable on the date and at the Place of Payment stated in such notice at the applicable redemption price, together with interest, if any, and Additional Amounts, if any, accrued to the date fixed for redemption, and on and after said date (unless the Corporation shall default in the payment of such Securities at the redemption price, together with interest, if any, and Additional Amounts, if any, accrued to said date) interest on the Securities or portions of Securities so called for redemption shall cease to accrue. On presentation and surrender of such Securities subject to redemption at said Place of Payment in said notice specified, the said Securities or the specified portions thereof shall be paid and redeemed by the Corporation at the applicable redemption price, together with interest, if any, and Additional Amounts, if any, accrued thereon to the date fixed for redemption. Interest, if any, and Additional Amounts, if any, maturing on or prior to the date fixed for redemption shall continue to be payable (but without interest thereon unless the Corporation shall default in payment thereof) in the case of Coupon Securities to the bearers of the Coupons for such interest upon surrender thereof, and in the case of Registered Securities to the Holders thereof registered as such on the Security Register on the relevant record date subject to the terms and provisions of Section 2.04. At the option of the Corporation payment may be made by check to (or to the order of) the Holders of the Securities or other persons entitled thereto against presentation and surrender of such Securities.

If any Coupon Security surrendered for redemption shall not be accompanied by all appurtenant Coupons maturing after the date fixed for redemption, the surrender of such missing Coupon or Coupons may be waived by the Corporation and the Trustee, if there be furnished to each of them such security or indemnity as they may require to save each of them harmless.

Upon presentation of any Security redeemed in part only, the Corporation shall execute, and the Trustee shall authenticate and deliver to the Holder thereof, at the expense of the Corporation, a new Security or Securities, of authorized denominations, in aggregate principal amount equal to the unredeemed portion of the Security so presented of the same series.

ARTICLE IV.

PARTICULAR COVENANTS OF THE CORPORATION.

SECTION 4.01. Payment of Principal, Premium, Interest and Additional Amounts. The Corporation shall duly and punctually pay or cause to be paid the principal of (and premium, if any), interest, if any, and Additional Amounts, if any, on each of the Securities at the place, at the respective times and in the manner provided in the terms of the Securities and in this Indenture. The interest on Coupon Securities (together with any Additional Amounts) shall be payable only upon presentation and surrender of the several Coupons for such interest installments as are evidenced thereby as they severally mature. The interest, if any, on any temporary bearer securities (together with any Additional Amounts) shall be paid, as to the installments of interest evidenced by Coupons attached thereto, if any, only upon presentation and surrender thereof, and, as to the other installments of interest, if any, only upon presentation of such Securities for notation thereon of the payment of such interest. The interest on Registered Securities (together with any Additional Amounts) shall be payable only to the Holders thereof and at the option of the Corporation may be paid by (i) mailing checks for such interest payable to or upon the order of such Holders at their last addresses as they appear on the Security Register for such Securities or (ii) in the case of Holders of U.S.\$10,000,000 or more in aggregate principal amount of such Registered Securities, by wire transfer of immediately available funds, but only if the Trustee has received wire transfer instructions in writing not less than 15 days prior to the applicable Interest Payment Date.

SECTION 4.02. Offices for Notices and Payments, Etc. As long as any of the Securities of a series remain outstanding, the Corporation shall designate and maintain, in the Borough of Manhattan, The City of New York, an office or agency where the Registered Securities of such series may be presented for registration of transfer and for exchange as provided in this Indenture, an office or agency where notices and demands to or upon the Corporation in respect of the Securities of such series or of this Indenture may be served, and an office or agency where the Securities of such series may be presented for payment. The Corporation shall give to the Trustee notice of the location of each such office or agency and of any change in the location thereof. In case the Corporation shall fail to maintain any such office or agency in the Borough of Manhattan, The City of New York, or shall fail to give such notice of the location or of any change in the location thereof, presentations may be made and notices and demands may be served at the corporate trust office of the Trustee in the Borough of Manhattan, The City of New York, and the Corporation hereby appoints the Trustee as its agent to receive all such presentations, notices and demands.

If Unregistered Securities of any series are outstanding, the Corporation shall maintain or cause the Trustee to maintain one or more agencies in a city or cities located outside the United States (including any city in which such an agency is required to be maintained under the rules of any securities exchange on which the Securities of such series are listed) where such Unregistered Securities, and Coupons, if any, appertaining thereto may be presented for payment. No payment on any Unregistered Security or Coupon will be made upon presentation of such Unregistered Security or Coupon at an

agency of the Corporation within the United States nor will any payment be made by transfer to an account in, or by mail to an address in, the United States, except, at the option of the Corporation, if the Corporation shall have determined that, pursuant to applicable United States laws and regulations then in effect such payment can be made without adverse tax consequences to the Corporation. Notwithstanding the foregoing, payments in U.S. Dollars with respect to Unregistered Securities of any series and Coupons appertaining thereto that are payable in U.S. Dollars may be made at an agency of the Corporation maintained in the Borough of Manhattan, The City of New York if such payment in U.S. Dollars at each agency maintained by the Corporation outside the United States for payment on such Unregistered Securities is illegal or is effectively precluded by exchange controls or other similar restrictions.

The Corporation hereby initially designates Bank One Trust Company, N.A., located at its Corporate Trust Office, as the Security Registrar and as the office or agency of the Corporation in the Borough of Manhattan, The City of New York, where the Securities may be presented for payment and, in the case of Registered Securities, for registration of transfer and for exchange as in this Indenture provided and where notices and demands to or upon the Corporation in respect of the Securities of any series or of this Indenture may be served.

SECTION 4.03. Provisions as to Paying Agent. (a) Whenever the Corporation shall appoint a paying agent other than the Trustee with respect to the Securities of any series, it will cause such paying agent to execute and deliver to the Trustee an instrument in which such agent shall agree with the Trustee, subject to the provisions of this Section:

(1) that it will hold sums held by it as such agent for the payment of the principal of (and premium, if any), interest, if any, or Additional Amounts, if any, on the Securities of such series in trust for the benefit of the Holders of the Securities of such series, or Coupons appertaining thereto, as the case may be, entitled thereto and will notify the Trustee of the receipt of sums to be so held,

(2) that it will give the Trustee notice of any failure by the Corporation (or by any other obligor on the Securities of such series) to make a payment of the principal of (or premium, if any), interest, if any, or Additional Amounts, if any, on the Securities of such series when the same shall be due and payable, and

(3) at any time during the continuance of any such default, upon the written request of the Trustee, forthwith pay to the Trustee all sums so held in trust by such paying agent.

(b) If the Corporation shall act as its own paying agent, it will, on or before each due date of the principal of (and premium, if any), interest, if any, or Additional Amounts, if any, on the Securities of any series set aside, segregate and hold in trust for the benefit of the Holders of the Securities of such series entitled thereto a sum sufficient to pay such principal (and premium if any), interest, if any, or Additional Amounts, if any, so becoming due. The Corporation will promptly notify the Trustee of any failure to take such action.

(c) Anything in this Section to the contrary notwithstanding, the Corporation may, at any time, for the purpose of obtaining a satisfaction and discharge with respect to one or more or all series of Securities hereunder, or for any other reason, pay or cause to be paid to the Trustee all sums held

in trust for such series by it or any paying agent hereunder as required by this Section, such sums to be held by the Trustee upon the trusts herein contained.

(d) Anything in this Section to the contrary notwithstanding, the agreement to hold sums in trust as provided in this Section is subject to the provisions of Sections 12.04 and 12.05.

SECTION 4.04. Luxembourg Publications. In the event of the publication of any notice pursuant to Section 3.02, 6.07, 7.10, 7.11, 9.02, 10.02 or 12.05, the party making such publication shall also, to the extent that notice is required so to be given to Holders of Securities of a series by applicable Luxembourg law or stock exchange regulation, make a similar publication the same number of times in Luxembourg.

SECTION 4.05. Statement by Officers as to Default. The Corporation shall deliver to the Trustee, on or before a date not more than four months after the end of each fiscal year of the Corporation (which, on the date of execution hereof, ends on December 31) ending after the date hereof, commencing with the fiscal year ended in 2000, an Officers' Certificate, stating whether or not to the best knowledge of the signers thereof the Corporation is in default in the performance or observance of any of the terms, provisions and conditions of this Indenture to be performed or observed by it and, if the Corporation shall be in default, specifying all such defaults and the nature thereof of which they may have knowledge.

SECTION 4.06. Limitations on Liens. For the benefit of the Securities, the Corporation shall not, nor shall it permit any Manufacturing Subsidiary to, issue or assume any Debt secured by a Mortgage upon any Domestic Manufacturing Property of the Corporation or of any Manufacturing Subsidiary or upon any shares of stock or indebtedness of any Manufacturing Subsidiary (whether such Domestic Manufacturing Property, shares of stock or indebtedness are now owned or hereafter acquired) without in any such case effectively providing concurrently with the issuance or assumption of any such Debt that the Securities (together with, if the Corporation shall so determine, any other indebtedness of the Corporation or such Manufacturing Subsidiary ranking equally with the Securities and then existing or thereafter created) shall be secured equally and ratably with such Debt, unless the aggregate amount of Debt issued or assumed and so secured by Mortgages, together with (i) all other Debt of the Corporation and its Manufacturing Subsidiaries which (if originally issued or assumed at such time) would otherwise be subject to the foregoing restrictions, but not including Debt permitted to be secured under clauses (i) through (v) of the immediately following paragraph and not including Permitted Receivables Financings, and (ii) all Attributable Debt of the Company and its Manufacturing Subsidiaries in respect of sale and lease-back transactions, does not at the time exceed 15% of Consolidated Net Tangible Assets as shown on the audited consolidated financial statements for the most recently completed fiscal year.

The above restrictions shall not apply to: (i) Mortgages on property, shares of stock or indebtedness of any entity existing at the time (a) such entity becomes a Manufacturing Subsidiary or (b) of a sale, lease or other disposition of all or substantially all of the properties of the entity to the Corporation or a Manufacturing Subsidiary; (ii) Mortgages on property existing at the time of acquisition of such property by the Corporation or a Manufacturing Subsidiary, or Mortgages to secure the payment of all or any part of the purchase price of such property upon the acquisition of such property by the Corporation or a Manufacturing Subsidiary or to secure any Debt incurred prior to, at the time of, or within 180 days after, the later of the date of acquisition of such property and the date such property is placed in service, for the purpose of financing all or any part of the purchase price thereof, or Mortgages to secure any Debt

incurred for the purpose of financing the cost to the Corporation or a Manufacturing Subsidiary of improvements to such acquired property; (iii) Mortgages securing Debt of a Manufacturing Subsidiary owing to the Corporation or to another Subsidiary; (iv) Mortgages on property of the Corporation or a Manufacturing Subsidiary in favor of the United States of America or any State thereof, or any department, agency or instrumentality or political subdivision of the United States of America or any State thereof, or in favor of any other country, or any political subdivision thereof, in connection with financing arrangements between the Corporation or a Manufacturing Subsidiary and any of the foregoing governmental bodies or agencies, to the extent that Mortgages are required by the governmental programs under which those financing arrangements are made, to secure partial, progress, advance or other payments pursuant to any contract or statute or to secure any indebtedness incurred for the purpose of financing all or any part of the purchase price or the cost of construction of the property subject to such Mortgages or (v) any extension, renewal or replacement (or successive extensions, renewals or replacements) in whole or in part, of any Mortgage referred to in the foregoing clauses (i) to (v), inclusively; provided however, that the principal amount of Debt secured thereby shall not exceed the principal amount of Debt so secured at the time of such extension, renewal or replacement and that such extension, renewal or replacement shall be limited to all or a part of the property that secured the Mortgage so extended, renewed or replaced (plus improvements on such property).

SECTION 4.07. Limitation on Sale and Lease-back. For the benefit of the Holders of the Securities, the Corporation shall not, nor shall it permit any Manufacturing Subsidiary to, enter into any arrangement with any person providing for the leasing by the Corporation or any Manufacturing Subsidiary of any Domestic Manufacturing Property owned by the Corporation or by any Manufacturing Subsidiary on the date that the Securities are originally issued (except for temporary leases for a term of not more than three years and except for leases between the Corporation and a Manufacturing Subsidiary or between Manufacturing Subsidiaries), which property has been or is to be sold or transferred by the Corporation or such Manufacturing Subsidiary to such person, unless either (i) the Corporation or such Manufacturing Subsidiary would be entitled, pursuant to the provisions of the covenant on limitation on liens described in Section 4.06, to issue, assume, extend, renew or replace Debt secured by a Mortgage upon such Domestic Manufacturing Property equal in amount to the Attributable Debt in respect of such arrangement without equally and ratably securing the Securities; provided, however, that from and after the date on which such arrangement becomes effective the Attributable Debt in respect of such arrangement shall be deemed for all purposes under the covenant on limitation on liens described in Section 4.06 and this covenant on limitation on sale and lease-back to be Debt subject to the provisions of such covenant on limitation on liens (which provisions include the exceptions set forth in clauses (i) through (v) of such covenant), or (ii) the Corporation shall apply an amount in cash equal to the Attributable Debt in respect of such arrangement to the retirement (other than any mandatory retirement or by way of payment at maturity), within 180 days of the effective date of any such arrangement, of Debt of the Corporation or any Manufacturing Subsidiary (other than Debt owned by the Corporation or any Manufacturing Subsidiary) which by its terms matures at, or is extendible or renewable at the option of the obligor to, a date more than twelve months after the date of the creation of such Debt.

SECTION 4.08. Definitions Applicable to Sections 4.06 and 4.07. The following definitions shall be applicable to the covenants contained in Sections 4.06 and 4.07 hereof:

(a) "Attributable Debt" means, at the time of determination as to any lease, the present value (discounted at the actual rate, if stated, or, if no rate is stated, the implicit rate of interest of such lease transaction as determined by the Chairman, President, any Vice

Chairman, any Vice President, the Treasurer or any Assistant Treasurer of the Corporation), calculated using the interval of scheduled rental payments under such lease, of the obligation of the lessee for net rental payments during the remaining term of such lease (excluding any subsequent renewal or other extension options held by the lessee). The term "net rental payments" means, with respect to any lease for any period, the sum of the rental and other payments required to be paid in such period by the lessee thereunder, but not including any amounts required to be paid by such lessee (whether or not designated as rental or additional rental) on account of maintenance and repairs, insurance, taxes, assessments, water rates, indemnities or similar charges required to be paid by such lessee thereunder or any amounts required to be paid by such lessee thereunder contingent upon the amount of sales, earnings or profits or of maintenance and repairs, insurance, taxes, assessments, water rates, indemnities or similar charges; provided, however, that, in the case of any lease which is terminable by the lessee upon the payment of a penalty in an amount which is less than the total discounted net rental payments required to be paid from the later of the first date upon which such lease may be so terminated and the date of the determination of net rental payments, "net rental payments" shall include the then current amount of such penalty from the later of such two dates, and shall exclude the rental payments relating to the remaining period of the lease commencing with the later of such two dates.

(b) "Consolidated Net Tangible Assets" means, as calculated in accordance with GAAP, at any date, all amounts that would be set forth opposite the caption "total assets" (or any like caption) on a consolidated balance sheet of the Corporation and its consolidated Subsidiaries less (i) all current liabilities and (ii) goodwill, trade names, patents, unamortized debt discount, organization expenses and other like intangibles of the Corporation and its consolidated Subsidiaries.

(c) "Debt" means notes, bonds, debentures or other similar evidences of indebtedness for money borrowed.

(d) "Domestic Manufacturing Property" means any manufacturing plant or facility owned by the Corporation or any Manufacturing Subsidiary which is located within the continental United States of America and, in the opinion of the Board of Directors, is of material importance to the total business conducted by the Corporation and its consolidated affiliates as an entity.

(e) "GAAP" means generally accepted accounting principles in the United States of America as in effect from time to time set forth in the opinions and pronouncements of the Accounting Principles Board and the American Institute of Certified Public Accountants and the statements and pronouncements of the Financial Accounting Standards Board, or in such other statements by an successor entity as may be in general use by significant segments of the accounting professions, which are applicable to the circumstances as of the date of determination.

(f) "Manufacturing Subsidiary" means any Subsidiary (A) substantially all the property of which is located within the continental United States of America, (B) that owns a Domestic Manufacturing Property and (C) in which the Corporation's investment, direct

or indirect and whether in the form of equity, debt, advances or otherwise, is in excess of U.S. \$1 billion as shown on the books of the Corporation as of the end of the fiscal year immediately preceding the date of determination; provided, however, that "Manufacturing Subsidiary" shall not include any Subsidiary that is principally engaged in leasing or in financing installment receivables or otherwise providing financial or insurance services to the Corporation or others or that is principally engaged in financing the Corporation's operations outside the continental United States of America.

(g) "Mortgage" means any mortgage, pledge, lien, security interest, conditional sale or other title retention agreement or other similar encumbrance.

(h) "Non-Recourse Debt" means all Debt which, in accordance with GAAP, is not required to be recognized on a consolidated balance sheet of the Corporation as a liability.

(i) "Permitted Receivables Financings" means, at any date of determination, the aggregate amount of any Non-Recourse Debt outstanding on such date relating to securitizations or other similar off-balance sheet financings of accounts receivable of the Corporation or any of its Subsidiaries.

(j) "Subsidiary" means any corporation or other entity of which at least a majority of the outstanding stock or other beneficial interests having by the terms thereof ordinary voting power to elect a majority of the board of directors or other governing body of such corporation or other entity (irrespective of whether or not at the time stock or other beneficial interests of any other class or classes of such corporation shall have or might have voting power by reason of the happening of any contingency) is at the time owned by the Corporation, or any of its Subsidiaries, or by the Corporation and one or more of its Subsidiaries.

ARTICLE V.

SECURITYHOLDER LISTS AND REPORTS BY THE CORPORATION AND THE TRUSTEE.

SECTION 5.01. Securityholder Lists. The Corporation covenants and agrees that it will furnish or cause to be furnished to the Trustee with respect to the Securities of each series:

(a) semiannually, not later than each Interest Payment Date (in the case of any series having semiannual Interest Payment Dates) or not later than the dates determined pursuant to Section 2.01 (in the case of any series not having semiannual Interest Payment Dates) a list, in such form as the Trustee may reasonably require, of the names and addresses of the Holders of Securities of such series as of the Regular Record Date (or as of such other date as may be determined pursuant to Section 2.01 for such series) therefor, and

(b) at such other times as the Trustee may request in writing within thirty days after receipt by the Corporation of any such request, a list in such form as the Trustee may reasonably require

of the names and addresses of the Holders of Securities of a particular series specified by the Trustee as of a date not more than fifteen days prior to the time such information is furnished; provided, however, that if and so long as the Trustee shall be the Security Registrar any such list shall exclude names and addresses received by the Trustee in its capacity as Security Registrar, and if and so long as all of the Securities of any series are Registered Securities, such list shall not be required to be furnished.

SECTION 5.02. Preservation and Disclosure of Lists. (a) The Trustee shall preserve, in as current a form as is reasonably practicable, all information as to the names and addresses of the Holders of each series of Securities (i) contained in the most recent list furnished to it as provided in Section 5.01, (ii) received by the Trustee in its capacity as Security Registrar or Paying Agent, or (iii) filed with it within the preceding two years pursuant to Section 313(c) of the Trust Indenture Act of 1939. The Trustee may destroy any list furnished to it as provided in Section 5.01 upon receipt of a new list so furnished.

(b) In case three or more Holders of Securities (hereinafter referred to as "applicants") apply in writing to the Trustee and furnish to the Trustee reasonable proof that each such applicant has owned a Security of such series for a period of at least six months preceding the date of such application, and such application states that the applicants desire to communicate with other Holders of Securities of a particular series (in which case the applicants must hold Securities of such series) or with Holders of all Securities with respect to their rights under this Indenture or under such Securities and it is accompanied by a copy of the form of proxy or other communication that such applicants propose to transmit, then the Trustee shall, within five business days after the receipt of such application, at its election, either:

(1) afford to such applicants access to the information preserved at the time by the Trustee in accordance with the provisions of subsection (a) of this Section, or

(2) inform such applicants as to the approximate number of Holders of Securities of such series or all Securities, as the case may be, whose names and addresses appear in the information preserved at the time by the Trustee, in accordance with the provisions of subsection (a) of this Section, and as to the approximate cost of mailing to such Securityholders the form of proxy or other communication, if any, specified in such application.

If the Trustee shall elect not to afford to such applicants access to such information, the Trustee shall, upon the written request of such applicants, mail to each Holder of such series or all Securities, as the case may be, whose name and address appear in the information preserved at the time by the Trustee in accordance with the provisions of subsection (a) of this Section, a copy of the form of proxy or other communication that is specified in such request, with reasonable promptness after a tender to the Trustee of the material to be mailed and of payment, or provision for the payment, of the reasonable expenses of mailing, unless within five days after such tender, the Trustee shall mail to such applicants and file with the Securities and Exchange Commission, together with a copy of the material to be mailed, a written statement to the effect that, in the opinion of the Trustee, such mailing would be contrary to the best interests of the Holders of Securities of such series or all Securities, as the case may be, or would be in violation of applicable law. Such written statement shall specify the basis of such opinion. If said Commission, after opportunity for appearing upon the objections specified in the written statement so filed, shall enter an order refusing to sustain any of such objections or if, after the entry of an order sustaining one or more of such objections, said Commission shall find, after notice and opportunity for

hearing, that all the objections so sustained have been met, and shall enter an order so declaring, the Trustee shall mail copies of such material to all such Holders with reasonable promptness after the entry of such order and the renewal of such tender; otherwise the Trustee shall be relieved of any obligation or duty to such applicants respecting their application.

(c) Each and every Holder of Securities, by receiving and holding the same, agrees with the Corporation and the Trustee that neither the Corporation nor the Trustee nor any agent of the Corporation or of the Trustee shall be held accountable by reason of the disclosure of any such information as to the names and addresses of the Holders of Securities in accordance with the provisions of subsection (b) of this Section, regardless of the source from which such information was derived, and that the Trustee shall not be held accountable by reason of mailing any material pursuant to a request made under said subsection (b).

SECTION 5.03. Reports by the Corporation. The Corporation covenants:

(a) to file with the Trustee within fifteen days after the Corporation is required to file the same with the Securities and Exchange Commission, copies of the annual reports and of the information, documents and other reports (or copies of such portions of any of the foregoing as said Commission may from time to time by rules and regulations prescribe) which the Corporation may be required to file with said Commission pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934; or, if the Corporation is not required to file information, documents or reports pursuant to either of such sections, then to file with the Trustee and said Commission, in accordance with rules and regulations prescribed from time to time by said Commission, such of the supplementary and periodic information, documents and reports which may be required pursuant to Section 13 of the Securities Exchange Act of 1934 in respect of a security listed and registered on a national securities exchange as may be prescribed from time to time in such rules and regulations.

(b) to file with the Trustee and the Securities and Exchange Commission, in accordance with the rules and regulations prescribed from time to time by said Commission, such additional information, documents, and reports with respect to compliance by the Corporation with the conditions and covenants provided for in this Indenture as may be required from time to time by such rules and regulations;

(c) to transmit by mail to all the Holders of Securities of each series, as the names and addresses of such Holders appear on the Security Register, within thirty days after the filing thereof with the Trustee, such summaries of any information, documents and reports required to be filed by the Corporation with respect to each such series pursuant to subsections (a) and (b) of this Section as may be required by rules and regulations prescribed from time to time by the Securities and Exchange Commission; and

(d) If Unregistered Securities of any series are outstanding, to file with the listing agent of the Corporation with respect to such series such documents and reports of the Corporation as may be required from time to time by the rules and regulations of any stock exchange on which such Unregistered Securities are listed.

SECTION 5.04. Reports by the Trustee. (a) On or before May 15, 2001 and on or before May 15, of each year thereafter, so long as any Securities of any series are outstanding hereunder, the Trustee shall transmit to the Holders of Securities of such series, in the manner provided by Section 313(c) of the Trust Indenture Act of 1939, a brief report dated as of the preceding February 15, as may be required by Sections 313(a) and (b) of the Trust Indenture Act of 1939.

(b) A copy of each such report shall, at the time of such transmission to Holders of Securities of a particular series, be filed by the Trustee with each stock exchange upon which the Securities of such series are listed and also with the Securities and Exchange Commission. The Corporation agrees to notify the Trustee when and as the Securities of any series become listed on any stock exchange.

ARTICLE VI.

REMEDIES ON DEFAULT.

SECTION 6.01. Events of Default. In case one or more of the following Events of Default with respect to a particular series of Securities shall have occurred and be continuing, that is to say:

(a) default in the payment of the principal of (or premium, if any, on) any of the Securities of such series as and when the same shall become due and payable either at maturity, upon redemption, by declaration or otherwise, and continuance of such default for a period of five Business Days after written notice from the Trustee; or

(b) default in the payment of any installment of interest, if any, or in the payment of any Additional Amounts upon any of the Securities of such series as and when the same shall become due and payable, and continuance of such default for a period of thirty days after written notice from the Trustee; or

(c) failure on the part of the Corporation duly to observe or perform any other of the covenants or agreements on the part of the Corporation applicable to such series of the Securities or contained in this Indenture for a period of ninety days after the date on which written notice of such failure, requiring the Corporation to remedy the same, shall have been given to the Corporation by the Trustee, or to the Corporation and the Trustee by the Holders of at least twenty-five percent in aggregate principal amount of the Securities of such series at the time outstanding; or

(d) default by the Corporation or any Significant Subsidiary in any payment of \$25,000,000 or more of principal of or interest on any Debt or in the payment of \$25,000,000 or more on account of any guarantee in respect of Debt, beyond any period of grace that may be provided in the instrument or agreement under which such Debt or guarantee was created.

(e) a court having jurisdiction in the premises shall enter a decree or order for relief in respect of the Corporation in an involuntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or appoint a receiver, liquidator, assignee, custodian, trustee, sequestrator (or similar official) of the Corporation or for any substantial part of its property, or ordering

the winding-up or liquidation of its affairs, and such decree or order shall remain unstayed, undismissed and unbonded and in effect for a period of ninety days; or

(f) the Corporation shall commence a voluntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or shall consent to the entry of an order for relief in an involuntary case under any such law, or shall consent to the appointment of or taking possession by a receiver, liquidator, assignee, trustee, custodian, sequestrator (or similar official) of the Corporation or for a substantial part of its property, or shall make any general assignment for the benefit of creditors;

then if an Event of Default described in clause (a), (b), (c) or (d) shall have occurred and be continuing, and in each and every such case, unless the principal amount of all the Securities of such series shall have already become due and payable, either the Trustee or the Holders of not less than twenty-five percent in aggregate principal amount of the Securities of all series affected thereby then outstanding hereunder, by notice in writing to the Corporation (and to the Trustee if given by Holders of such Securities) may declare the principal amount of all the Securities (or, with respect to Original Issue Discount Securities, such lesser amount as may be specified in the terms of such Securities) of the series affected thereby to be due and payable immediately, and upon any such declaration the same shall become and shall be immediately due and payable, any provision of this Indenture or the Securities of such series to the contrary notwithstanding, or, if an Event of Default described in clause (e) or (f) shall have occurred and be continuing, and in each and every such case, either the Trustee or the Holders of not less than twenty-five percent in aggregate principal amount of all the Securities then outstanding hereunder (voting as one class), by notice in writing to the Corporation (and to the Trustee if given by Holders of securities), may declare the principal of all the Securities not already due and payable (or, with respect to Original Issue Discount Securities, such lesser amount as may be specified in the terms of such Securities) to be due and payable immediately, and upon any such declaration the same shall become and shall be immediately due and payable, any provision in this Indenture or in the Securities to the contrary notwithstanding. The foregoing provisions, however, are subject to the conditions that if, at any time after the principal of the Securities of any one or more or all series, as the case may be, shall have been so declared due and payable, and before any judgment or decree for the payment of the moneys due shall have been obtained or entered as hereinafter provided, the Corporation shall pay or shall deposit with the Trustee a sum sufficient to pay all matured installments of interest, if any, and all Additional Amounts, if any, due upon all the Securities of such series or of all the Securities, as the case may be, and the principal of (and premium, if any, on) all Securities of such series or of all the Securities, as the case may be (or, with respect to Original Issue Discount Securities, such lesser amount as may be specified in the terms of such Securities), which shall have become due otherwise than by acceleration (with interest, if any, upon such principal and premium, if any, and, to the extent that payment of such interest is enforceable under applicable law, on overdue installments of interest and Additional Amounts, if any, at the same rate as the rate of interest specified in the Securities of such series, as the case may be (or, with respect to Original Issue Discount Securities, at the rate specified in the terms of such Securities for interest on overdue principal thereof upon maturity, redemption or acceleration of such series, as the case may be), to the date of such payment or deposit), and such amount as shall be payable to the Trustee pursuant to Section 7.06, and any and all defaults under the Indenture shall have been remedied, then and in every such case the Holders of a majority in aggregate principal amount of the Securities of such series (or of all the Securities, as the case may be) then outstanding, by written notice to the Corporation and to the Trustee, may waive all defaults with respect to that series or with respect to all Securities, as the case may be, and rescind and annul such declaration and its consequences; but no such waiver or rescission and annulment

shall extend to or shall affect any subsequent default or shall impair any right consequent thereon. If the principal of all Securities shall have been declared to be payable pursuant to this Section 6.01, in determining whether the Holders of a majority in aggregate principal amount thereof have waived all defaults and rescinded and annulled such declaration, all series of Securities shall be treated as a single class and the principal amount of Original Issue Discount Securities shall be deemed to be the amount declared payable under the terms applicable to such Original Issue Discount Securities.

In case the Trustee shall have proceeded to enforce any right under this Indenture and such proceedings shall have been discontinued or abandoned because of such rescission and annulment or for any other reason or shall have been determined adversely to the Trustee, then and in every such case the Corporation, Trustee and the Holders of Securities, as the case may be, shall be restored respectively to their former positions and rights hereunder, and all rights, remedies and powers of the Corporation, the Trustee and the Holders of Securities, as the case may be, shall continue as though no such proceedings had been taken.

SECTION 6.02. Payment of Securities on Default; Suit Therefor. The Corporation covenants that (1) in case default shall be made in the payment of any installment of interest, if any, on any of the Securities of any series or any Additional Amounts payable in respect of any of the Securities of any series, as and when the same shall become due and payable, and such default shall have continued for a period of thirty days or (2) in case default shall be made in the payment of the principal of (or premium, if any, on) any of the Securities of any series, as and when the same shall have become due and payable, and such default shall have been contained for a period of Five Business Days, whether upon maturity of such series or upon redemption or upon declaration or otherwise, then upon demand of the Trustee, the Corporation shall pay to the Trustee, for the benefit of the Holders of the Securities of such series, and the Coupons, if any, appertaining to such Securities, the whole amount that then shall have become due and payable on all such Securities of such series and such Coupons, for principal (and premium, if any) or interest, if any, or Additional Amounts, if any as the case may be, with interest upon the overdue principal (and premium, if any) and (to the extent that payment of such interest is enforceable under applicable law) upon overdue installments of interest, if any, and Additional Amounts, if any, at the same rate as the rate of interest specified in the Securities of such series (or, with respect to Original Issue Discount Securities, at the rate specified in the terms of such Securities for interest on overdue principal thereof upon maturity, redemption or acceleration); and, in addition thereto, such further amounts as shall be payable pursuant to Section 7.06.

In case the Corporation shall fail forthwith to pay such amounts upon such demand, the Trustee, in its own name and as trustee of an express trust, shall be entitled and empowered to institute any action or proceedings at law or in equity for the collection of the sums so due and unpaid, and may prosecute any such action or proceedings to judgment or final decree, and may enforce any such judgment or final decree against the Corporation or other obligor upon such Securities and collect in the manner provided by law out of the property of the Corporation or other obligor upon such Securities wherever situated the moneys adjudged or decreed to be payable.

In case there shall be pending proceedings for the bankruptcy or for the reorganization of the Corporation or any other obligor upon Securities of any series under Title 11 of the United States Code or any other applicable law, or in case a receiver or trustee shall have been appointed for the property of the Corporation or such other obligor, or in case of any other judicial proceedings relative to the Corporation or such other obligor, or to the creditors or property of the Corporation or such other obligor, the Trustee,

irrespective of whether the principal of the Securities of such series shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand pursuant to the provisions of this Section, shall be entitled and empowered, by intervention in such proceedings or otherwise, to file and prove a claim or claims for the whole amount of principal (or, with respect to Original Issue Discount Securities, such portion of the principal amount as may be specified in the terms of that series), and premium, if any, interest, if any, and Additional Amounts, if any, owing and unpaid in respect of the Securities of such series, and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee under Section 7.06 and of the Holders of the Securities and Coupons of such series allowed in any such judicial proceedings relative to the Corporation or other obligor upon the Securities of such series, or to the creditors or property of the Corporation or such other obligor, and to collect and receive any moneys or other property payable or deliverable on any such claims, and to distribute all amounts received with respect to the claims of the Securityholders of such series and of the Trustee on their behalf; and any receiver, assignee or trustee in bankruptcy or reorganization is hereby authorized by each of the Holders of the Securities and Coupons of such series to make payments to the Trustee and, in the event that the Trustee shall consent to the making of payments directly to the Securityholders of such series, to pay to the Trustee such amount as shall be sufficient to cover reasonable compensation to the Trustee, its agents, attorneys and counsel, and all other reasonable expenses and liabilities incurred, and all advances made, by the Trustee except as a result of its negligence or bad faith.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Securities or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

All rights of action and of asserting claims under this Indenture, or under any of the Securities, may be enforced by the Trustee without the possession of any of the Securities or Coupons appertaining to such Securities, or the production thereof in any trial or other proceedings relative thereto, and any such action or proceedings instituted by the Trustee shall be brought in its own name and as trustee of an express trust, and any recovery of judgment shall be for the ratable benefit of the Holders of the Securities or Coupons appertaining thereto.

In case of a default hereunder the Trustee may in its discretion proceed to protect and enforce the rights vested in it by this Indenture by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any of such rights, either at law or in equity or in bankruptcy or otherwise, whether for the specific enforcement of any covenant or agreement contained in this Indenture or in aid of the exercise of any power granted in this Indenture, or to enforce any other legal or equitable right vested in the Trustee by this Indenture or by law.

SECTION 6.03. Application of Moneys Collected by Trustee. Any moneys collected by the Trustee pursuant to Section 6.02 shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such moneys on account of principal (or premium, if any) or interest, if any, upon presentation of the several Securities and Coupons in respect of which moneys have been collected, and stamping thereon the payment, if only partially paid, and upon surrender thereof, if fully paid:

FIRST: To the payment of the amounts payable to the Trustee pursuant to Section 7.06;

SECOND: In case the principal of the Securities in respect of which moneys have been collected shall not have become due, to the payment of interest, if any, and Additional Amounts, if any, on the Securities of such series in the order of the maturity of the installments of such interest, with interest (to the extent that such interest has been collected by the Trustee) upon the overdue installments of interest and Additional Amounts, if any, at the same rate as the rate of interest, if any, specified in the Securities of such series (or, with respect to Original Issue Discount Securities, at the rate specified in the terms of such Securities for interest on overdue principal thereof upon maturity, redemption or acceleration), such payments to be made ratably to the persons entitled thereto, without discrimination or preference; and

THIRD: In case the principal of the Securities in respect of which moneys have been collected shall have become due, by declaration or otherwise, to the payment of the whole amount then owing and unpaid upon the Securities of such series for principal (and premium, if any), interest, if any, and Additional Amounts, if any, and (to the extent that such interest has been collected by the Trustee) upon overdue installments of interest, if any, and Additional Amounts, if any, at the same rate as the rate of interest specified in the Securities of such series (or, with respect to Original Issue Discount Securities, at the rate specified in the terms of such Securities for interest on overdue principal thereof upon maturity, redemption or acceleration); and in case such moneys shall be insufficient to pay in full the whole amount so due and unpaid upon the Securities of such series, then to the payment of such principal (and premium, if any), interest, if any, and Additional Amounts, if any, without preference or priority of principal (and premium, if any), over interest, if any, and Additional Amounts, if any, or of interest, if any, and Additional Amounts, if any, over principal (and premium, if any), or of any installment of interest, if any, or Additional Amounts, if any, over any other installment of interest, if any, or Additional Amounts, if any, or of any Security of such series over any other Security of such series, ratably to the aggregate of such principal (and premium, if any), and accrued and unpaid interest, if any, and Additional Amounts, if any.

SECTION 6.04. Proceedings by Securityholders. No Holder of any Security of any series or of any Coupon appertaining thereto shall have any right by virtue or by availing of any provision of this Indenture to institute any action or proceedings at law or in equity or in bankruptcy or otherwise, upon or under or with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless such Holder previously shall have given to the Trustee written notice of default and of the continuance thereof, as hereinbefore provided, and unless also the Holders of not less than twenty-five percent in aggregate principal amount of the Securities of such series then outstanding or, in the case of any Event of Default described in clause (d) or (e) of Section 6.01, twenty-five per cent in aggregate principal amount of all the Securities at the time outstanding (voting as one class) shall have made written request upon the Trustee to institute such action or proceedings in its own name as Trustee hereunder and shall have offered to the Trustee such reasonable indemnity as it may require against the costs, expenses and liabilities to be incurred therein or thereby, and the Trustee for sixty days after its receipt of such notice, request and offer of indemnity shall have failed to institute any such action or proceedings and no direction inconsistent with such written request shall have been given to the Trustee pursuant to Section 6.06; it being understood and intended and being expressly covenanted by the taker and Holder of every Security with every other taker and Holder and the Trustee, that no one or more Holders of Securities or Coupons appertaining to such Securities shall have any right in any manner whatever by virtue of or by availing himself, herself or itself of any provision of this Indenture to affect, disturb or prejudice the rights of any other Holder of Securities or Coupons appertaining to such Securities, or to obtain or seek to obtain priority over or preference to any other such Holder or to enforce any right under this Indenture, except in the manner herein provided and for the equal, ratable and

common benefit of all Holders of Securities and Coupons. For the protection and enforcement of the revisions of this Section, each and every Securityholder and the Trustee shall be entitled to such relief as can be given either at law or in equity.

Notwithstanding any other provisions in this Indenture, however, the right of any Holder of any Security to receive payment of the principal of (and premium, if any) and interest, if any, and Additional Amounts, if any, on such Security or Coupon, on or after the respective due dates expressed in such Security or Coupon, or to institute suit for the enforcement of any such payment on or after such respective dates, shall not be impaired or affected without the consent of such Holder. With respect to original Issue Discount Securities, principal shall mean such amount as shall be due and payable as may be specified in the terms of such Securities.

SECTION 6.05. Remedies Cumulative and Continuing. All powers and remedies given by this Article Six to the Trustee or to the Holders of Securities or Coupons shall, to the extent permitted by law, be deemed cumulative and not exclusive of any thereof or of any other powers and remedies available to the Trustee or the Holders of Securities or Coupons, by judicial proceedings or otherwise, to enforce the performance or observance of the covenants and agreements contained in this Indenture, and no delay or omission of the Trustee or of any Holder of any of the Securities or Coupons to exercise any right or power accruing upon any default occurring and continuing as aforesaid shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and, subject to the provisions of Section 6.04, every power and remedy given by this Article Six or by law to the Trustee or to the Holders of Securities or Coupons may be exercised from time to time, and as often as shall be deemed expedient, by the Trustee or by the Holders of Securities or Coupons, as the case may be.

SECTION 6.06. Direction of Proceedings. The Holders of a majority in aggregate principal amount of the Securities of any or all series affected (voting as one class) at the time outstanding shall have the right to direct the time, method, and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee; provided, however, that (i) such direction shall not be in conflict with any rule of law or with this Indenture, (ii) the Trustee may take any other action deemed proper by the Trustee that is not inconsistent with such direction and (iii) the Trustee shall have the right to decline to follow any such direction if the Trustee, being advised by counsel, determines that the action or proceedings so directed would be prejudicial to the Holders not joining in such direction or may not lawfully be taken or if the Trustee in good faith by its board of directors or executive committee or a trust committee of directors or trustees and/or responsible officers shall determine that the action or proceedings so directed would involve the Trustee in personal liability.

Prior to any declaration accelerating the maturity of the Securities of any series, the holders of a majority in aggregate principal amount of the Securities of such series at the time outstanding may on behalf of the Holders of all of the Securities of such series waive any past default or Event of Default hereunder and its consequences, except a default in the payment of principal of (premium, if any) or interest, if any, or Additional Amounts, if any, on any Securities of such series or in respect of a covenant or provision hereof that may not be modified or amended without the consent of the Holders of each outstanding Security of such series affected. Upon any such waiver the Corporation, the Trustee and the Holders of the Securities of such series shall be restored to their former positions and rights hereunder, respectively, but no such waiver shall extend to any subsequent or other default or Event of Default or

impair any right consequent thereon. Whenever any default or Event of Default hereunder shall have been waived as permitted by this Section 6.06, said default or Event of Default shall for all purposes of the Securities of such series and this Indenture be deemed to have been cured and to be not continuing.

SECTION 6.07. Notice of Defaults. The Trustee shall, within ninety days after the occurrence of a default with respect to the Securities of any series, give notice of all defaults with respect to that series known to the Trustee (i) if any Unregistered Securities of that series are then outstanding, to the Holders thereof, by publication at least once in an Authorized Newspaper in the Borough of Manhattan, The City of New York and at least once in an Authorized Newspaper in London (and, if required by Section 4.04, at least once in an Authorized Newspaper in Luxembourg), (ii) if any Unregistered Securities of that series are then outstanding, to all Holders thereof who have filed their names and addresses with the Trustee as described in Section 313(c) of the Trust Indenture Act of 1939, by mailing such notice to such Holders at such addresses and (iii) to all Holders of then outstanding Registered Securities of that series, by mailing such notice to such Holders at their addresses as they shall appear on the Security Register, unless in each case such defaults shall have been cured before the mailing or publication of such notice (the term "defaults" for the purpose of this Section being hereby defined to be the events specified in Sections 6.01(a), (b), (c), (d), (e) and (f) and any additional events specified in the terms of any series of Securities pursuant to Section 2.01, not including periods of grace, if any, provided for therein, and irrespective of the giving of written notice specified in Section 6.01 (c) or in the terms of any Securities established pursuant to Section 2.01); and provided that, except in the case of default in the payment of the principal of (premium, if any), interest, if any, or Additional Amounts, if any, on any of the Securities of such series, the Trustee shall be protected in withholding such notice if and so long as the board of directors, the executive committee, or a trust committee of directors or responsible officers of the Trustee in good faith determines that the withholding of such notice is in the interests of the Holders of the Securities of such series.

SECTION 6.08. Undertaking to Pay Costs. All parties to this Indenture agree, and each Holder of any Security by his, her or its acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; provided that, the provisions of this Section shall not apply to any suit instituted by the Trustee, to any suit instituted by any Securityholders of any series, or group of such Securityholders, holding in the aggregate more than ten percent in aggregate principal amount of all Securities (voting as one class) or to any suit instituted by any Securityholders for the enforcement of the payment of the principal of (or premium, if any), interest, if any, or Additional Amounts, if any, on any Security on or after the due date expressed in such Security.

ARTICLE VII.

CONCERNING THE TRUSTEE.

SECTION 7.01. Duties and Responsibilities of Trustee. The Trustee, prior to the occurrence of an Event of Default of a particular series and after the curing of all Events of Default of such series that may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture. In case an Event of Default with respect to a particular series has occurred (which has not been cured) the Trustee shall exercise such of the rights and powers vested in it, by this Indenture, and use the same degree of care and skill in its exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(a) prior to the occurrence of an Event of Default with respect to a particular series and after the curing of all Events of Default with respect to such series that may have occurred:

(1) the duties and obligations of the Trustee with respect to such series shall be determined solely by the express provisions of this Indenture, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture, and no implied covenants or obligations shall be read into this Indenture against the Trustee; and

(2) in the absence of bad faith on the part of the Trustee, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture; but in the case of any such certificates or opinions which by any provision hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of this Indenture;

(b) the Trustee shall not be liable for any error of judgment made in good faith by a responsible officer or officers, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts; and

(c) the Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of Securities pursuant to Section 6.06 relating to the time, method and place, of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture.

No provision of this Indenture shall be construed as requiring the Trustee to expend or risk its own funds or otherwise to incur any personal financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if there shall be reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not reasonably assured to it.

SECTION 7.02. Reliance on Documents, Opinions, Etc. Subject to the provisions of Section 7.01:

(a) the Trustee may rely, and shall be protected in acting or refraining from acting, upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order,

bond, debenture, note, Coupon or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties;

(b) any request, direction, order or demand of the Corporation mentioned herein shall be sufficiently evidenced by an instrument signed in the name of the Corporation by the Chairman of the Board of Directors or any Vice Chairman of the Board of Directors or the President or any Vice President or the Treasurer or any Assistant Treasurer and by the Secretary or any Assistant Secretary or, if the other signatory is other than the Treasurer or any Assistant Treasurer, any Assistant Treasurer (unless other evidence in respect thereof be herein specifically prescribed); and a Board Resolution may be evidenced to the Trustee by a copy thereof certified by the Secretary or any Assistant Secretary of the Corporation;

(c) the Trustee may consult with counsel and any advice or Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance with such advice or Opinion of Counsel;

(d) the Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request, order or direction of any of the Securityholders, pursuant to the provisions of this Indenture, unless such Securityholders shall have offered to the Trustee reasonable security or indemnity against the costs, expenses, and liabilities which might be incurred therein or thereby;

(e) the Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, coupon or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit, and, if the Trustee shall determine to make such further inquiry or investigation, it shall be entitled to examine the relevant books, records and premises of the Corporation, personally or by agent or attorney;

(f) the Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys, provided, however, that the Trustee shall be responsible for any misconduct or negligence on the part of any agent or attorney appointed by it hereunder; and

(g) the Trustee shall not be liable for any action taken by it in good faith and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture.

SECTION 7.03. No Responsibility for Recitals, Etc. The recitals contained herein and in the Securities, other than the Trustee's certificate of authentication, shall be taken as the statements of the Corporation, and the Trustee assumes no responsibility for the correctness of the same. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of the Securities, provided that the Trustee shall not be relieved of its duty to authenticate Securities only as authorized by this Indenture. The Trustee shall not be accountable for the use or application by the Corporation of Securities or the proceeds thereof.

SECTION 7.04. Ownership of Securities or Coupons. The Trustee or any agent of the Corporation or of the Trustee, in its individual or any other capacity, may become the owner or pledgee of Securities or Coupons with the same rights it would have if it were not Trustee, or an agent of the Corporation or of the Trustee.

SECTION 7.05. Moneys to Be Held in Trust. Subject to the provisions of Sections 12.04 and 12.05 hereof, all moneys received by the Trustee or any paying agent shall, until used or applied as herein provided, be held in trust for the purposes for which they were received but need not be segregated from other funds except to the extent required by law. Neither the Trustee nor any paying agent shall be under any liability for interest on any moneys received by it hereunder except such as it may agree with the Corporation to pay thereon. So long as no Event of Default shall have occurred and be continuing, all interest allowed on any such moneys shall be paid from time to time upon the written order of the Corporation, signed by its Chairman of the Board of Directors or any Vice Chairman of the Board of Directors or its President or any Vice President or its Treasurer or any Assistant Treasurer.

SECTION 7.06. Compensation and Expenses of Trustee. The Corporation covenants and agrees to pay to the Trustee from time to time, and the Trustee shall be entitled to, reasonable compensation, and, except as otherwise expressly provided, the Corporation will pay or reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in accordance with any of the provisions of this Indenture (including the reasonable compensation, expenses and disbursements of its counsel and of all persons not regularly in its employ) except any such expense, disbursement or advance as may arise from its negligence or bad faith. If any property other than cash shall at any time be subject to the lien of this Indenture, the Trustee, if and to the extent authorized by a receivership or bankruptcy court of competent jurisdiction or by the supplemental instrument subjecting such property to such lien, shall be entitled to make advances for the purpose of preserving such property or of discharging tax liens or other prior liens or encumbrances hereon. The Corporation also covenants to indemnify the Trustee for, and to hold it harmless against, any loss, liability or reasonable expense incurred without negligence or bad faith on the part of the Trustee, arising out of or in connection with the acceptance or administration of this trust, including the reasonable costs and expenses of defending itself against any claim of liability in the premises. The obligations of the Corporation under this Section to compensate the Trustee and to pay or reimburse the Trustee for reasonable expenses, disbursements and advances shall constitute additional indebtedness hereunder. Such additional indebtedness shall be secured by a lien prior to that of the Securities upon all property and funds held or collected by the Trustee as such, except funds held in trust for the benefit of the Holders of particular Securities or Coupons.

SECTION 7.07. Officers' Certificate as Evidence. Subject to the provisions of Section 7.01, whenever in the administration of the provisions of this Indenture the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action to be taken hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of negligence or bad faith on the part of the Trustee, be deemed to be conclusively proved and established by an Officers' Certificate delivered to the Trustee, and such Certificate, in the absence of negligence or bad faith on the part of the Trustee, shall be full warrant to the Trustee for any action taken, suffered or omitted by it under the provisions of this Indenture upon the faith thereof.

SECTION 7.08. Conflicting Interest of Trustee. The Trustee shall comply with Section 310(b) of the Trust Indenture Act of 1939.

SECTION 7.09. Eligibility of Trustee. There shall at all times be a trustee hereunder which shall be a corporation organized and doing business under the laws of the United States or of any State or Territory thereof or of the District of Columbia, which (a) is authorized under such laws to exercise corporate trust powers and (b) is subject to supervision or examination by Federal, State, Territorial or District of Columbia authority and (c) shall have at all times a combined capital and surplus of not less than U.S. \$50 million. If such corporation publishes reports of condition at least annually, pursuant to law, or to the requirements of the aforesaid supervising or examining authority, then for the purposes of this Section, the combined capital and surplus of such corporation at any time shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Trustee shall cease to be eligible in accordance with the provisions of this Section, the Trustee shall resign immediately in the manner and with the effect specified in Section 7.10.

SECTION 7.10. Resignation or Removal of Trustee. (a) The Trustee, or any trustee or trustees hereafter appointed, may, upon sixty days written notice to the Corporation, at any time resign with respect to one or more or all series by giving written notice of resignation to the Corporation (i) if any Unregistered Securities of a series affected are then outstanding, by giving notice of such resignation to the Holders thereof, by publication at least once in an Authorized Newspaper in London (and, if required by Section 4.04, at least once in an Authorized Newspaper in Luxembourg), (ii) if any Unregistered Securities of a series affected are then outstanding, by mailing notice of such resignation to the Holders thereof who have filed their names and addresses with the Trustee as described in Section 313(c) of the Trust Indenture Act of 1939 at such addresses as were so furnished to the Trustee and (iii) by mailing notice of such resignation to the Holders of then outstanding Registered Securities of each series affected at their addresses as they shall appear on the Security Register. Upon receiving such notice of resignation the Corporation shall promptly appoint a successor trustee with respect to the applicable series by written instrument, in duplicate, executed by order of the Board of Directors of the Corporation, one copy of which instrument shall be delivered to the resigning Trustee and one copy to the successor trustee. If no successor trustee shall have been so appointed and have accepted appointment within thirty days after the mailing of such notice of resignation to the Securityholders, the resigning Trustee may petition any court of competent jurisdiction for the appointment of a successor trustee, or any Securityholder who has been a bona fide Holder of a Security or Securities of the applicable series for at least six months may, subject to the provisions of Section 6.08, on behalf of himself, herself or itself and all others similarly situated, petition any such court for the appointment of a successor trustee. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, appoint a successor trustee.

(b) In case at any time any of the following shall occur:

(i) the Trustee shall fail to comply with Section 7.08 with respect to any series of Securities after written request therefor by the Corporation or by any Securityholder who has been a bona fide Holder of a Security or Securities of such series for at least six months, or

(ii) the Trustee shall cease to be eligible in accordance with the provision of Section 7.09 with respect to any series of Securities and shall fail to resign after written request therefor by the Corporation or by any such Securityholder, or

(iii) the Trustee shall become incapable of acting with respect to any series of Securities, or shall be adjudged a bankrupt or insolvent, or a receiver of the Trustee or of its property shall be appointed, or any public officer shall take charge or control of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation,

then, in any such case, the Corporation may remove the Trustee with respect to the applicable series of Securities and appoint a successor trustee with respect to such series by written instrument, in duplicate, executed by order of the Board of Directors of the Corporation, one copy of which instrument shall be delivered to the Trustee so removed and one copy to the successor trustee, or, subject to the provisions of Section 6.08, any Securityholder of such series who has been a bona fide Holder of a Security or Securities of the applicable series for at least six months may, on behalf of himself, herself or itself and all others similarly situated, petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor trustee with respect to such series. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, remove the Trustee and appoint a successor trustee.

(c) The Holders of a majority in aggregate principal amount of the Securities of all series (voting as one class) at the time outstanding may at any time remove the Trustee with respect to Securities of all series and appoint a successor trustee with respect to the Securities of all series.

(d) Any resignation or removal of the Trustee and any appointment of a successor trustee pursuant to any of the provisions of this Section shall become effective upon acceptance of appointment by the successor trustee as provided in Section 7.11.

SECTION 7.11. Acceptance by Successor Trustee. Any successor trustee appointed as provided in Section 7.10 shall execute, acknowledge and deliver to the Corporation and to its predecessor trustee an instrument accepting such appointment hereunder, and thereupon the resignation or removal the predecessor trustee with respect to all or any applicable series shall become effective and such successor trustee, without any further act, deed or conveyance, shall become vested with all the rights, powers, duties and obligations with respect to such series of its predecessor hereunder, with like effect as if originally named as trustee herein; but, on the written request of the Corporation or of the successor trustee, the trustee ceasing to act shall, upon payment of any amounts then due it pursuant to the provisions of Section 7.06, execute and deliver an instrument transferring to such successor trustee all the rights and powers of the trustee so ceasing to act. Upon request of any such successor trustee, the Corporation shall execute any and all instruments in writing in order more fully and certainly to vest in and confirm to such successor trustee all such rights and powers. Any trustee ceasing to act shall, nevertheless, retain a lien upon all property or funds held or collected by such trustee to secure any amounts then due it pursuant to the provisions of Section 7.06.

In case of the appointment hereunder of a successor trustee with respect to the Securities of one or more (but not all) series, the Corporation, the predecessor Trustee and each successor trustee with respect to the Securities of any applicable series shall execute and deliver an indenture supplemental hereto that shall contain such provisions as shall be deemed necessary or desirable to confirm that all the

rights, powers, trusts and duties of the predecessor Trustee with respect to the Securities of any series as to which the predecessor Trustee is not retiring shall continue to be vested in the predecessor Trustee, and shall add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one trustee, it being understood that nothing herein or in such supplemental indenture shall constitute such trustees co-trustees of the same trust and that each such trustee shall be trustee of a trust or trusts hereunder separate and apart from any trust or trusts hereunder administered by any other such trustee.

No successor trustee shall accept appointment as provided in this Section unless at the time of such acceptance such successor trustee shall be qualified under the provisions of Section 7.08 and eligible under the provisions of Section 7.09.

Upon acceptance of appointment by a successor trustee as provided in this Section, the Corporation shall give notice of the succession of such trustee hereunder (a) if any Unregistered Securities of a series affected are then outstanding, to the Holders thereof by publication of such notice at least once in an Authorized Newspaper in the Borough of Manhattan, The City of New York and at least once in an Authorized Newspaper in London (and, if required by Section 4.04, at least once in an Authorized Newspaper in Luxembourg), (b) if any Unregistered Securities of a series affected are then outstanding, to the Holders thereof who have filed their names and addresses with the Trustee pursuant to Section 313(c) of the Trust Indenture Act, by mailing such notice to such Holders at such addresses as were so furnished to the Trustee (and the Trustee shall make such information available to the Corporation for such purpose) and (c) to the Holders of Registered Securities of each series affected, by mailing such notice to such Holders at their addresses as they shall appear on the Security Register. If the Corporation fails to mail such notice in the prescribed manner within ten days after the acceptance of appointment by the successor trustee, the successor trustee shall cause such notice to be so given at the expense of the Corporation.

SECTION 7.12. Successor by Merger, Etc. Any corporation into which the Trustee may be merged or converted or with which it may be consolidated, or any corporation resulting from any merger, conversion or consolidation to which the Trustee shall be a party, or any corporation succeeding to the corporate trust business of the Trustee, shall be the successor of the Trustee hereunder, provided such corporation shall be qualified under the provisions of Section 7.08 and eligible under the provisions of Section 7.09, without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

SECTION 7.13. Limitations on Rights of Trustee as Creditor. The Trustee shall comply with Section 311(a) of the Trust Indenture Act of 1939.

ARTICLE VIII.

CONCERNING THE SECURITYHOLDERS.

SECTION 8.01. Action by Securityholders. Whenever in this Indenture it is provided that the Holders of a specified percentage in aggregate principal amount of the Securities of any or all series may take any action (including the making of any demand or request, the giving of any notice, consent or waiver or the taking of any other action), the fact that at the time of taking any such action the Holders of such specified percentage have joined therein may be evidenced (a) by any instrument or any

number of instruments of similar tenor executed by Securityholders in person or by agent or proxy appointed in writing, or (b) by the record of the Holders of Securities voting in favor thereof at any meeting of Securityholders duly called and held in accordance with the provisions of Article Nine, or (c) by a combination of such instrument or instruments and any such record of such a meeting of Securityholders.

In determining whether the Holders of a specified percentage in aggregate principal amount of the Securities have taken any action (including the making of any demand or request, the waiving of any notice, consent or waiver or the taking of any other action), the principal amount of any Original Issue Discount Security that may be counted in making such determination and that shall be deemed to be outstanding for such purposes shall be equal to the amount of the principal thereof that could be declared to be due and payable upon an Event of Default pursuant to the terms of such Original Issue Discount Security at the time the taking of such action is evidence to the Trustee.

SECTION 8.02. Proof of Execution by Securityholders. Subject to the provisions of Sections 7.01, 7.02 and 9.05, proof of the execution of any instrument by a Securityholder or its agent or proxy shall be sufficient if made in the following manner:

(a) In the case of Holders of Unregistered Securities, the fact and date of the execution by any such person of any instrument may be proved by the certificate of any notary public or other officer of any jurisdiction authorized to take acknowledgments of deeds or administer oaths that the person executing such instruments acknowledged to him the execution thereof or by an affidavit of a witness to such execution sworn to before any such notary or other such officer. Where such execution is by or on behalf of any legal entity other than an individual, such certificate or affidavit shall also constitute sufficient proof of the authority of the person executing the same. The fact of the holding by any Holder of a Security of any series, and the identifying number of such Security and the date of his holding the same, may be proved by the production of such Security or by a certificate executed by any trust company, bank, banker or recognized securities dealer wherever situated satisfactory to the Trustee, if such certificate shall be deemed by the Trustee to be satisfactory. Each such certificate shall be dated and shall state that on the date thereof a Security of such series bearing a specified identifying number was deposited with or exhibited to such trust company, bank, banker or recognized securities dealer by the person named in such certificate. Any such certificate may be issued in respect of one or more Securities of one or more series specified therein. The holding by the person named in any such certificate of any Securities of any series specified therein shall be presumed to continue for a period of one year from the date of such certificate unless at the time of any determination of such holding (1) another certificate bearing a later date issued in respect of the same Securities shall be produced, or (2) the Security of such series specified in such certificate shall be produced by some other person, or (3) the Security of such series specified in such certificates shall have ceased to be outstanding. Subject to Sections 7.01, 7.02 and 9.05, the fact and date of the execution of any such instrument and the amount and numbers of Securities of any series held by the person so executing such instrument and the amount and numbers of any Security or Securities for such series may also be proven in accordance with such reasonable rules and regulations as may be prescribed by the Trustee for such series or in any other manner that the Trustee for such series may deem sufficient.

(b) In the case of Registered Securities, the ownership of such Securities shall be proved by the Security Register or by a certificate of the Security Registrar.

SECTION 8.03. Who Are Deemed Absolute Owners. The Corporation, the Trustee, any paying agent, any transfer agent and any Security Registrar may treat the Holder of any Unregistered Security and the Holder of any Coupon as the absolute owner of such Unregistered Security or Coupon (whether or not such Unregistered Security or Coupon shall be overdue) for the purpose of receiving payment thereof or on account thereof and for all other purposes and neither the Corporation, the Trustee, any paying agent, any transfer agent nor any Security Registrar shall be affected by any notice to the contrary. The Corporation, the Trustee, any paying agent, any transfer agent and any Security Registrar may, subject to Section 2.04 hereof, treat the person in whose name a Registered Security shall be registered upon the Security Register as the absolute owner of such Registered Security (whether or not such Registered Security shall be overdue) for the purpose of receiving payment thereof or on account thereof and for all other purposes and neither the Corporation, the Trustee, any paying agent, any transfer agent nor any Security Registrar shall be affected by any notice to the contrary.

SECTION 8.04. Corporation-owned Securities Disregarded. In determining whether the Holders of the required aggregate principal amount of Securities have concurred in any direction, consent or waiver under this Indenture, Securities that are owned by the Corporation or by any person directly or indirectly controlling or controlled by or under direct or indirect common control with the Corporation, shall be disregarded and deemed not to be outstanding for the purpose of any such determination, except that for the purpose of determining whether the Trustee shall be protected in relying on any such direction, consent or waiver only Securities that the Trustee knows are so owned shall be disregarded. Securities so owned that have been pledged in good faith may be regarded as outstanding for the purposes of this Section if the pledgee shall establish to the satisfaction of the Trustee the pledgee's right to vote such Securities and that the pledgee is not a person directly or indirectly controlling or controlled by or under direct or indirect common control with the Corporation. In the case of a dispute as to such right, any decision by the Trustee taken upon the advice of counsel shall be full protection to the Trustee.

SECTION 8.05. Revocation of Consents; Future Securityholders Bound. At any time prior to the taking of any action by the Holders of the percentage in aggregate principal amount of the Securities specified in this Indenture in connection with such action, any Holder of a Security the identifying number of which is shown by the evidence to be included in the Securities the Holders of which have consented to such action may, by filing written notice with the Trustee at its office and upon proof of holding as provided in Section 8.02, revoke such action so far as concerns such Security. Except as aforesaid any such action taken by the Holder of any Security shall be conclusive and binding upon such Holder and upon all future Holders and owners of such Security and of any Security issued in exchange or substitution therefor irrespective of whether or not any notation in regard thereto is made upon such Security. Any action taken by the Holders of the percentage in aggregate principal amount of the Securities specified in this Indenture in connection with such action shall be conclusively binding upon the Corporation, the Trustee and the Holders of all the Securities of each series intended to be affected thereby.

SECTION 8.06. Securities in a Foreign Currency. Unless otherwise specified in an Officers' Certificate delivered pursuant to Section 2.01 of this Indenture or in an indenture supplemental hereto with respect to a particular series of Securities, on any day when for purposes of this Indenture any action may be taken by the Holders of a specified percentage in aggregate principal amount of two or more series of outstanding Securities and, at such time, there are outstanding Securities of at least one such series that are denominated in a coin or currency other than that of at least one other such series, then the principal amount of Securities of each such series (other than any such series denominated in

U.S. Dollars) that shall be deemed to be outstanding for the purpose of taking such action shall be that amount of U.S. Dollars that could be obtained for such amount at the Market Exchange Rate. For purposes of this Section 8.06, "Market Exchange Rate" shall mean (i) for any conversion involving a Currency unit on the one hand and dollars or any foreign currency on the other, the exchange rate between the relevant Currency unit and dollars or such foreign currency, (ii) for any conversion of dollars into any foreign currency, the noon U.S. Dollar buying rate for such foreign currency for cable transfers quoted in The City of New York on such day as certified for customs purposes by the Federal Reserve Bank of New York and (iii) for any conversion of one foreign currency into dollars or another foreign currency, the spot rate at noon local time in the relevant market at which, in accordance with normal banking procedures, the dollars or foreign currency into which conversion is being made could be purchased with the foreign currency from which conversion is being made from major banks located in either New York City, London or any other principal market for dollars or such purchased foreign currency. In the event of the unavailability of any of the exchange rates provided for in the foregoing clauses (i), (ii) and (iii) the Trustee shall use, in its sole discretion and without liability on its part, such quotation of the Federal Reserve Bank of New York as of the most recent available date, or quotations from one or more major banks in New York City, London or other principal market for such Currency or Currency unit in question, or such other quotations as the Trustee shall deem appropriate. Unless otherwise specified by the Trustee, if there is more than one market for dealing in any Currency or Currency unit by reason of foreign exchange regulations or otherwise, the market to be used in respect of such Currency or Currency unit shall be that upon which a nonresident issuer of securities designated in such Currency or Currency unit would purchase such Currency or Currency unit in order to make payments in respect of such securities. The provisions of this paragraph shall apply in determining the equivalent number of votes that each Securityholder or proxy shall be entitled to pursuant to Section 9.05, in respect of Securities of a series denominated in a currency other than U.S. Dollars.

All decisions and determinations of the Corporation regarding the Market Exchange Rate shall be in its sole discretion and shall, in the absence of manifest error, be conclusive for all purposes and irrevocably binding upon the Corporation and all Holders.

ARTICLE IX.

SECURITYHOLDERS' MEETINGS.

SECTION 9.01. Purposes of Meetings. A meeting of Securityholders of any or all series may be called at any time and from time to time pursuant to the provisions of this Article for any of the following purposes:

(1) to give any notice to the Corporation or to the Trustee, or to give any directions to the Trustee, or to waive any default hereunder and its consequences, or to take any other action authorized to be taken by Securityholders pursuant to any of the provisions of Article Six;

(2) to remove the Trustee and appoint a successor trustee pursuant to the provisions of Article Seven;

(3) to consent to the execution of an indenture or indentures supplemental hereto pursuant to the provisions of Section 10.02; or

(4) to take any other action authorized to be taken by or on behalf of the Holders of any specified aggregate principal amount of the Securities of any or all series, as the case may be, under any other provision of this Indenture or under applicable law.

SECTION 9.02. Call of Meetings by Trustee. The Trustee may at any time call a meeting of Holders of Securities of any or all series to take any action specified in Section 9.01, to be held at such time and at such place in the Borough of Manhattan, The City of New York, or in London, as the Trustee shall determine. Notice of every meeting of the Holders of Securities of any or all series, setting forth the time and place of such meeting and in general terms the action proposed to be taken at such meeting, shall be given (i) if any Unregistered Securities of a series that may be affected by the action proposed to be taken at such meeting are then outstanding, to all Holders thereof, by publication at least twice in an Authorized Newspaper in the Borough of Manhattan, The City of New York and at least twice in an Authorized Newspaper in London (and, if required by Section 4.04, at least once in an Authorized Newspaper in Luxembourg) prior to the date fixed for the meeting, the first publication, in each case, to be not less than twenty nor more than one hundred eighty days prior to the date fixed for the meeting and the last publication to be not more than five days prior to the date fixed for the meeting, (ii) if any Unregistered Securities of a series that may be affected by the action proposed to be taken at such meeting are then outstanding, to all Holders thereof who have filed their names and addresses with the Trustee as described in Section 313(c) of the Trust Indenture Act of 1939, by mailing such notice to such Holders at such addresses, not less than twenty nor more than one hundred eighty days prior to the date fixed for the meeting and (iii) to all Holders of then outstanding Registered Securities of each series that may be affected by the action proposed to be taken at such meeting, by mailing such notice to such Holders at their addresses as they shall appear on the Security Register, not less than twenty nor more than one hundred eighty days prior to the date fixed for the meeting. Failure of any Holder or Holders to receive such notice, or any defect therein, shall in no case affect the validity of any action taken at such meeting. Any meeting of Holders of Securities of all or any series shall be valid without notice if the Holders of all such Securities outstanding, the Corporation and the Trustee are present in person or by proxy or shall have waived notice thereof before or after the meeting. The Trustee may fix, in advance, a date as the record date for determining the Holders entitled to notice of or to vote at any such meeting at not less than twenty or more than one hundred eighty days prior to the date fixed for such meeting.

SECTION 9.03. Call of Meetings by Corporation or Securityholders. In case at any time the Corporation, pursuant to a Board Resolution, or the Holders of at least ten percent in aggregate principal amount of the Securities of any or all series, as the case may be, then outstanding, shall have requested the Trustee to call a meeting of Securityholders of any or all series to take any action authorized in Section 9.01, by written request setting forth in reasonable detail the action proposed to be taken at the meeting, and the Trustee shall not have mailed or published, as provided in Section 9.02, the notice of such meeting within thirty days after receipt of such request, then the Corporation or the Holders of such Securities in the amount above specified may determine the time and the place in said Borough of Manhattan, The City of New York or London for such meeting and may call such meeting to take any action authorized in Section 9.01, by mailing notice thereof as provided in Section 9.02.

SECTION 9.04. Qualification for Voting. To be entitled to vote at any meeting of Securityholders a person shall be a Holder of one or more Securities of a series with respect to which a meeting is being held or a person appointed by instrument in writing as proxy by such a Holder. The only persons who shall be entitled to be present or to speak at any meeting of the Securityholders shall be the persons entitled to vote at such meeting and their counsel and any representatives of the Trustee and its counsel and any representatives of the Corporation and its counsel.

SECTION 9.05. Regulations. Notwithstanding any other provisions of this Indenture, the Trustee may make such reasonable regulations as it may deem advisable for any meeting of Securityholders, in regard to proof of the holding of Securities and of the appointment of proxies, and in regard to the appointment and duties of inspectors of votes, the submission and examination of proxies, certificates and other evidence of the right to vote, and such other matters concerning the conduct of the meeting as it shall think fit.

The Trustee shall, by an instrument in writing, appoint a temporary chairman of the meeting, unless the meeting shall have been called by the Corporation or by Securityholders as provided in Section 9.03, in which case the Corporation or the Securityholder calling the meeting, as the case may be, shall in like manner appoint a temporary chairman. A permanent chairman and a permanent secretary of the meeting shall be elected by vote of the Holders of a majority in principal amount of the Securities represented at the meeting and entitled to vote.

Subject to the provisions of Sections 8.01 and 8.04, at any meeting each Securityholder or proxy shall be entitled to one vote for each U.S.\$1,000 principal amount of Securities held or represented by him, her or it; provided, however, that no vote shall be cast or counted at any meeting in respect of any Security challenged as not outstanding and ruled by the chairman of the meeting not to be outstanding. The chairman of the meeting shall have no right to vote except as a Securityholder or proxy. Any meeting of Securityholders duly called pursuant to the provisions of Section 9.02 or 9.03 may be adjourned from time to time, and the meeting may be held as so adjourned without further notice.

SECTION 9.06. Voting. The vote upon any resolution submitted to any meeting of Securityholders shall be by written ballot on which shall be subscribed the signatures of the Securityholders or proxies and on which shall be inscribed the identifying number or numbers or to which shall be attached a list of identifying numbers of the Securities held or represented by them. The permanent chairman of the meeting shall appoint two inspectors of votes who shall count all votes cast at the meeting for or against any resolution and who shall make and file with the secretary of the meeting their verified reports in duplicate of all votes cast at the meeting. A record in duplicate of the proceedings of each meeting of Securityholders shall be prepared by the secretary of the meeting and there shall be attached to said record the original reports of the inspectors of votes on any vote by ballot taken thereat and affidavit by one or more persons having knowledge of the facts setting forth a copy of the notice of the meeting and showing that said notice was mailed as provided in Section 9.02 or Section 9.03. The record shall be signed and verified by the permanent chairman and secretary of the meeting and one of the duplicates shall be delivered to the Corporation and the other to the Trustee to be preserved by the Trustee, the latter to have attached thereto the ballots voted at the meeting.

Any record so signed and verified shall be conclusive evidence of the matters therein stated.

ARTICLE X.

SUPPLEMENTAL INDENTURES.

SECTION 10.01. Supplemental Indentures Without Consent of Securityholders. The Corporation, when authorized by Board Resolution, and the Trustee may from time to time and at any time enter into an indenture or indentures supplemental hereto (which shall conform to the provisions of the Trust Indenture Act of 1939) for one or more of the following purposes:

(a) to evidence the succession of another entity to the Corporation, or successive successions, and the assumption by any successor entity of the covenants, agreements and obligations of the Corporation pursuant to Article Eleven hereof;

(b) to add to the covenants of the Corporation such further covenants, restrictions, conditions or provisions as its Board of Directors and the Trustee shall consider to be for the protection of the Holders of Securities of any or all series, or the Coupons appertaining to such Securities, and to make the occurrence, or the occurrence and continuance, of a default in any of such additional covenants, restrictions, conditions or provisions a default or an Event of Default with respect to any or all series permitting the enforcement of all or any of the several remedies provided in this Indenture as herein set forth, with such period of grace, if any, and subject to such conditions as such supplemental indenture may provide;

(c) to add or change any of the provisions of this Indenture to such extent as shall be necessary to permit or facilitate the issuance of Securities of any series in bearer form, registrable or not registrable as to principal, and with or without interest Coupons, and to provide for exchangeability of such Securities with Securities issued hereunder in fully registered form and to make all appropriate changes for such purpose, and to add or change any of the provisions of this Indenture to such extent as shall be necessary to permit or facilitate the issuance of uncertificated Securities of any series;

(d) to cure any ambiguity or to correct or supplement any provision contained herein or in any supplemental indenture that may be defective or inconsistent with any other provision contained herein or in any supplemental indenture; or to make such other provisions in regard to matters or questions arising under this Indenture as shall not adversely affect the interests of the Holders of any series of Securities or any Coupons appertaining to such Securities;

(e) to convey, transfer, assign, mortgage or pledge any property to or with the Trustee;

(f) to evidence and provide for the acceptance and appointment hereunder by a successor trustee with respect to the Securities of one or more series and to add or change provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one trustee, pursuant to Section 7.11;

(g) to establish the form or terms of Securities of any series as permitted by Sections 2.01 and 2.03; and

(h) to change or eliminate any provision of this Indenture, provided that any such change or elimination (i) shall become effective only when there is no Security outstanding of any series created prior to the execution of such supplemental indenture that is entitled to the benefit of such provision or (ii) shall not apply to any Security outstanding.

The Trustee is hereby authorized to join with the Corporation in the execution of any such supplemental indenture, to make any further appropriate agreements and stipulations that may be therein contained and to accept the conveyance, transfer, assignment, mortgage or pledge of any property thereunder, but the Trustee shall not be obligated to enter into any such supplemental indenture that adversely affects the Trustee's own rights, duties or immunities under this Indenture or otherwise.

Any supplemental indenture authorized by the provisions of this Section may be executed by the Corporation and the Trustee without the consent of the Holders of any of the Securities at the time outstanding, notwithstanding any of the provisions of Section 10.02.

SECTION 10.02. Supplemental Indentures with Consent of Securityholders. With the consent (evidenced as provided in Section 8.01) of the Holders of not less than a majority in the aggregate principal amount of the Securities of all series at the time outstanding affected by such supplemental indenture (voting as one class), the Corporation, when authorized by a Board Resolution, and the Trustee may from time to time and at any time enter into an indenture or indentures supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or of any supplemental indentures or modifying in any manner the rights of the Holders of the Securities of each such series or any Coupons appertaining to such Securities; provided, however, that no such supplemental indenture shall (i) change the fixed maturity of any Securities, or reduce the principal amount thereof (or premium, if any), or reduce the rate or extend the time of payment of any interest or Additional Amounts thereon or reduce the amount due and payable upon acceleration of the maturity thereof or the amount provable in bankruptcy, or make the principal of (premium, if any) or interest, if any, or Additional Amounts, if any, on any Security payable in any coin or currency other than that provided in such Security, (ii) impair the right to institute suit for the enforcement of any such payment on or after the stated maturity thereof (or, in the case of redemption, on or after the redemption date therefor) or (iii) reduce the aforesaid percentage of Securities, the consent of the Holders of which is required for any such supplemental indenture, or the percentage required for the consent of the Holders pursuant to Section 6.01 to waive defaults, without the consent of the Holder of each Security so affected.

Upon the request of the Corporation, accompanied by a copy of a Board Resolution certified by the Secretary or an Assistant Secretary of the Corporation authorizing the execution of any such supplemental indenture, and upon the filing with the Trustee of evidence of the consent of Securityholders as aforesaid, the Trustee shall join with the Corporation in the execution of such supplemental indenture unless such supplemental indenture affects the Trustee's own rights, duties or immunities under this Indenture or otherwise, in which case the Trustee may in its discretion, but shall not be obligated to, enter into such supplemental indenture.

It shall not be necessary for the consent of the Securityholders under this Section to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such consent shall approve the substance thereof.

Promptly after the execution and delivery by the Corporation and the Trustee of any supplemental indenture pursuant to the provisions of this Section, the Trustee shall give notice of such supplemental indenture (i) to the Holders of then outstanding Registered Securities of each series affected thereby, by mailing a notice thereof by first-class mail to such Holders at their addresses as they shall appear on the Security Register, (ii) if any Unregistered Securities of a series affected thereby are then outstanding, to the Holders thereof who have filed their names and addresses with the Trustee as described in Section 313(c) of the Trust Indenture Act, by mailing a notice thereof by first-class mail to such Holders at such addresses as were so furnished to the Trustee and (iii) if any Unregistered Securities of a series affected thereby are then outstanding, to all Holders thereof, by Publication of a notice thereof at least once in an Authorized Newspaper in the Borough of Manhattan, The City of New York and at least once in an Authorized Newspaper in London (and, if required by Section 4.04, at least once in an Authorized Newspaper in Luxembourg), and in each case such notice shall set forth in general terms the substance of such supplemental indenture. Any failure of the Corporation to mail or publish such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture.

SECTION 10.03. Compliance with Trust Indenture Act; Effect of Supplemental Indentures. Any supplemental indenture executed pursuant to the provisions of this Article Ten shall comply with the Trust Indenture Act of 1939. Upon the execution of any supplemental indenture pursuant to the provisions of this Article Ten, this Indenture shall be and be deemed to be modified and amended in accordance therewith and the respective rights, limitations of rights, obligations, duties and immunities under this Indenture of the Trustee, the Corporation and the Holders of Securities shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modifications and amendments, and all the terms and conditions of any such supplemental indenture shall be and be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

The Trustee, subject to the provisions of Sections 7.01 and 7.02, shall be provided an Officers' Certificate and an Opinion of Counsel as conclusive evidence that any such supplemental indenture complies with the provisions of this Article Ten.

SECTION 10.04. Notation on Securities. Securities of any series authenticated and delivered after the execution of any supplemental indenture pursuant to the provisions of this Article Ten may bear a notation in form approved by the Trustee as to any matter provided for in such supplemental indenture. New Securities of any series so modified as to conform, in the opinion of the Trustee and the Board of Directors of the Corporation, to any modification of this Indenture contained in any such supplemental indenture may be prepared by the Corporation, authenticated by the Trustee and delivered, without charge to the Securityholders, in exchange for the Securities of such series then outstanding.

ARTICLE XI.

SECTION 11.01. Corporation May Consolidate, Etc., on Certain Terms. The Corporation covenants that it will not merge or consolidate with any other entity or sell or convey all or substantially all of its assets to any person or entity, unless (i) either the Corporation shall be the continuing corporation, or the successor entity (if other than the Corporation) shall be an entity organized and existing under the laws of the United States of America or any State thereof and such successor entity

In case of any such consolidation, merger, sale or conveyance, such changes in phraseology and form (but not in substance) may be made in the Securities and Coupons thereafter to be issued as may be appropriate.

SECTION 11.03. Certificate to Trustee. On or before April 1, 2001, and on or before April 1, in each year thereafter, the Corporation will deliver to the Trustee an Officers' Certificate signed by the Corporation's principal executive officer, principal financial officer or principal accounting officer, as to such Officer's knowledge of the Corporation's compliance with all conditions and covenants under this Indenture (such compliance to be determined without regard to any period of grace or requirement of notice provided under this Indenture), as required by Section 314(a)(4) of the Trust Indenture Act of 1939.

"COMPARABLE TREASURY ISSUE" means the United States Treasury security selected by an Independent Investment Banker as having a maturity comparable to the remaining term ("Remaining Life") of the Designated Securities to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of such Designated Securities.

"INDEPENDENT INVESTMENT BANKER" means Goldman, Sachs & Co. and its successor or, if such firm is unwilling or unable to select the Comparable Treasury Issue, an independent investment banking institution of national standing appointed by the Trustee after consultation with the Corporation.

"COMPARABLE TREASURY PRICE" means (1) the average of five Reference Treasury Dealer Quotations for such redemption date, after excluding the highest and lowest Reference Treasury Dealer Quotations, or, (2) if the Independent Investment Banker obtains fewer than five such Reference Treasury Dealer Quotations, the average of all such quotations.

"REFERENCE TREASURY DEALER" means (1) each of Goldman, Sachs & Co., Morgan Stanley & Co. Incorporated and Salomon Smith Barney Inc. and their respective successors, provided, however, that if any of the foregoing shall cease to be a primary U.S. government securities dealer in New York City (a "Primary Treasury Dealer"), the Corporation will substitute for such firm another Primary Treasury Dealer and (2) any other Primary Treasury Dealer selected by the Independent Investment Banker after consultation with the Corporation.

"THE REFERENCE TREASURY DEALER QUOTATIONS" means, with respect to each Reference Treasury Dealer and any redemption date, the average, as determined by the Independent Investment Banker, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Independent Investment Banker at 5:00 p.m., New York City time, on the third Business Day preceding such redemption date.

9. If (a) as a result of any change in, or amendment to, the laws (or any regulations or rulings promulgated thereunder) of the United States (or any political subdivision or taxing authority thereof or therein), or any change in, or amendments to, the official position regarding the application or interpretation of such laws, regulations or rulings, which change or amendment is announced or becomes effective on or after July 19, 2000, the Corporation becomes or will become obligated to pay Additional Amounts (as defined below) with respect to the Designated Securities or (b) any act is taken by a taxing authority of the United States on or after the date hereof, whether or not such act is taken with respect to the Corporation or any affiliate, that results in a substantial probability that the Corporation will

or may be required to pay such Additional Amounts, then the Corporation may, at its option, redeem, in whole, but not in part, each affected series of the Designated Securities on not less than 30 nor more than 60 days' prior notice, at a redemption price equal to 100% of the principal amount of the relevant Designated Securities, together with interest accrued thereon to the date fixed for redemption; provided that the Corporation determines, in its business judgment, that the obligation to pay such Additional Amounts cannot be avoided by the use of reasonable measures available to it, not including substitution of the obligor under the Designated Securities. No redemption pursuant to (2) above may be made unless the Corporation shall have received an opinion of independent counsel to the effect that an act taken by a taxing authority of the United States results in a substantial probability that it will or may be required to pay Additional Amounts and the Corporation shall have delivered to the Trustee a certificate, signed by a duly authorized officer, stating that based on such opinion the Corporation is entitled to redeem the Designated Securities pursuant to their terms.

10. The Corporation shall have no obligation to redeem, purchase or repay the Designated Securities pursuant to any sinking fund or analogous provision or at the option of the Holder thereof.

11. The Designated Securities shall be issued in the form of one or more fully registered Global Securities in registered form and deposited with, or on behalf of, the Depository Trust Company, New York ("DTC"), and registered in the name of Cede & Co., DTC's nominee. The securities will not be issued in definitive form. If any of the Euroclear System ("Euroclear"), Clearstream Banking Societe anonyme ("Clearstream Luxembourg") or DTC notifies the Corporation that it is unwilling or unable to continue as a clearing system in connection with the Global Securities or, in the case of DTC only, DTC ceases to be a clearing agency registered under the Securities Exchange Act of 1934, as amended, and in each case a successor clearing system is not appointed by the Corporation within 90 days after receiving such notice from Euroclear, Clearstream Luxembourg or DTC or on becoming aware that DTC is no longer so registered, the Corporation will issue or cause to be issued individual certificates in registered form on registration of transfer of, or in exchange for, book-entry interests in the Designated Securities represented by such Global Securities upon delivery of such Global Securities for cancellation. In the event definitive Designated Securities are issued, the Corporation will promptly appoint a paying agent and transfer agent in Luxembourg. The Corporation will publish the name of the Luxembourg paying agent and transfer agent in Luxembourg. In the event definitive Designated Securities are issued, the Holders thereof will be able to receive payments on the Designated Securities and effect transfers of the Designated Securities at the offices of the Luxembourg paying agent and transfer agent.

12. The Corporation will, subject to the exceptions and limitations set forth below, pay as additional interest on the Designated Securities such Additional Amounts as are necessary in order that the net payment by the Corporation's paying agents of the principal of and interest on the Designated Securities to a Holder who is a non-United States

person (as defined below), after deduction for any present or future tax, assessment or governmental charge of the United States or a political subdivision or taxing authority thereof or therein, imposed by withholding with respect to the payment, will not be less than the amount provided in the Designated Securities to be then due and payable; provided, however, that the foregoing obligation to pay Additional Amounts shall not apply:

- (1) to a tax, assessment or governmental charge that is imposed or withheld solely by reason of the Holder, or a fiduciary, settlor, beneficiary, member or shareholder of the Holder if the Holder is an estate, trust, partnership or corporation, or a person holding a power over an estate or trust administered by a fiduciary Holder, being considered as:
 - (a) being or having been present or engaged in trade or business in the United States or having or having had a permanent establishment in the United States;

- (2) to any Holder that is not the sole beneficial owner of the Designated Securities, or a portion thereof, or that is a fiduciary or partnership, but only to the extent that a beneficiary or settlor with respect to the fiduciary, a beneficial owner or member of the partnership would not have been entitled to the payment of an Additional Amount had the beneficiary, settlor, beneficial owner or member received directly its beneficial or distributive share of the payment;
- (3) to a tax, assessment or governmental charge that is imposed or withheld solely by reason of the failure of the Holder or any other person to comply with certification, identification or information

reporting requirements concerning the nationality, residence, identity or connection with the United States of the Holder or beneficial owner of such Designated Securities, if compliance is required by statute, by regulation of the United States Treasury Department or by an applicable income tax treaty to which the United States is a party as a precondition to exemption from such tax, assessment or other governmental charge;

- (4) to a tax, assessment or governmental charge that is imposed otherwise than by withholding by the Corporation or a paying agent from the payment;
- (5) to a tax, assessment or governmental charge that is imposed or withheld solely by reason of a change in law, regulation, or administrative or judicial interpretation that becomes effective more than 15 days after the payment becomes due or is duly provided for, whichever occurs later;
- (6) to an estate, inheritance, gift, sales, excise, transfer, wealth or personal property tax or a similar tax, assessment or governmental charge;
- (7) to any tax, assessment or other governmental charge required to be withheld by any paying agent from any payment of principal of or interest on any Designated Security, if such payment can be made without such withholding by any other paying agent; or
- (8) in the case of any combination of items (1), (2), (3), (4), (5), (6) and (7) above.

The Designated Securities are subject in all cases to any tax, fiscal or other law or regulation or administrative or judicial interpretation applicable thereto. Except as herein specifically provided, the Corporation will not be required to make any payment with respect to any tax, assessment or governmental charge imposed by any government or a political subdivision or taxing authority thereof or therein.

As used herein, the term "United States" means the United States of America (including the States and the District of Columbia) and its territories, its possessions and other areas subject to its jurisdiction. "United States person" means (1) any individual who is a citizen or resident of the United States, (2) a corporation, partnership or other entity created or organized in or under the laws of the United States or (3) any estate or trust the income of which is subject to United States federal income taxation regardless of its source; and "non-United States person" means a person who is not a United States person.

13. The provisions of Article Twelve of the Indenture relating to defeasance of Securities shall apply to the Designated Securities.

14. The Corporation's Luxembourg Stock Exchange listing agent shall be BNP Paribas Luxembourg, 10A Boulevard Royal, L-2093 Luxembourg.

15. The Notes due 2005 shall be offered at an initial public offering price equal to 99.875% of their principal amount, and in payment for the Notes due 2005 the Corporation shall receive 99.525% of their principal amount (99.875% of their principal amount less underwriting discounts and commissions of 0.350%).

The Notes due 2010 shall be offered at an initial public offering price equal to 99.853% of their principal amount, and in payment for the Notes due 2010 the Corporation shall receive 99.403% of their principal amount (99.853% of their principal amount less underwriting discounts and commissions of 0.450%).

No redemption pursuant to (2) above may be made unless the Corporation shall have received an opinion of independent counsel to the effect that an act taken by a taxing authority of the United States results in a substantial probability that it will or may be required to pay the Additional Amounts and the Corporation shall have delivered to the Trustee a certificate, signed by a duly authorized officer, stating that based on such opinion the Corporation is entitled to redeem the Notes pursuant to their terms.

The Corporation shall have no obligation to redeem, purchase or repay this Note pursuant to any sinking fund or analogous provision or at the option of the Holder hereof.

This Note is subject to defeasance on the terms and conditions stated in the Indenture.

- (8) in the case of any combination of items (1), (2), (3), (4), (5), (6) and (7) above.

This Note is subject in all cases to any tax, fiscal or other law or regulation or administrative or judicial interpretation applicable thereto. Except as herein specifically provided, the Corporation will not be required to make any payment with respect to any tax, assessment or governmental charge imposed by any government or a political subdivision or taxing authority thereof or therein.

As used herein, the term "United States" means the United States of America (including the States and the District of Columbia) and its territories, its possessions and other areas subject to its jurisdiction. "United States person" means (1) any individual who is a citizen or resident of the United States, (2) a corporation, partnership or other entity created or organized in or under the laws of the United States, or (3) any estate or trust the income of which is subject to United States federal income taxation regardless of its source; and "non-United States person" means a person who is not a United States person.

In case an Event of Default, as defined in the Indenture, with respect to the Notes shall have occurred and be continuing, the principal hereof may be declared, and upon such declaration shall become, due and payable in the manner, with the effect and subject to the conditions provided in the Indenture.

The Indenture contains provisions permitting the Corporation and the Trustee to execute a supplemental indenture to add any provisions to, change in any manner or eliminate any provisions of, the Indenture or any existing supplemental indenture, or to modify the rights of the Holders of the Securities issued under either such Indenture or existing supplemental indenture, with the consent of the Holders of not less than a majority in principal amount of the Securities of all series at the time Outstanding that are affected by the supplemental indenture to be executed (voting as one class) if the supplemental Indenture to be executed does not:

i. (a) change the fixed maturity of any Securities, (b) reduce their principal amount or premium, if any, (c) reduce the rate or extend the time of payment of interest or any additional amounts payable on the Securities, (d) reduce the amount due and payable upon acceleration of the maturity of the Securities or the amount provable in bankruptcy or (e) make the principal of, or any interest, premium or additional amounts on, any Security payable in a coin or currency different from that provided in the Security,

(ii) impair the right to initiate suit for the enforcement of any such payment on or after the stated maturity of the Securities, or

(iii) reduce the requirement, stated above, for the consent of the Holders of the Securities to any modification described above, or the percentage required

for the consent of the Holders to waive defaults, without the consent of the Holder of each Security so affected.

The Indenture also contains provisions permitting the Corporation and the Trustee to execute supplemental indentures without the consent of the Holders of the Securities to (a) evidence the assumption by a successor corporation of the obligations of the Corporation, (b) add covenants for the protection of the Holders of the Securities, (c) add or change any of the provisions of the Indenture to permit or facilitate the issuance of Securities of any series in bearer form and to provide for the exchange of Securities in bearer form with registered Securities, (d) cure any ambiguity or correct any inconsistency in the Indenture or in a supplemental indenture, (e) transfer, assign, mortgage or pledge any property to or with the Trustee, (f) establish the form or terms of Securities of any series as permitted by the terms of the Indenture, (g) evidence the acceptance of appointment by a successor trustee and (h) change or eliminate provisions of the Indenture where the changes or eliminations do not apply to any Security outstanding and become effective only when there is no Security outstanding of a series created before the execution of the supplemental indenture that is entitled to the benefit of the provision being changed or eliminated.

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Corporation, which is absolute and unconditional, to pay the principal of and interest on this Note at the place, at the respective times, at the rate, and in the coin or currency, herein prescribed.

The Securities may be redeemed in whole at any time, or in part from time to time, at the option of the Corporation, at a redemption price equal to the greater of (1) 100% of the principal amount of the Securities to be redeemed, and (2) the sum of the present values of the remaining scheduled payments of principal and interest thereon discounted to the date of redemption on a semi-annual basis (assuming a 360-day year consisting of twelve 30-day months) at the applicable Treasury Rate plus 15 basis points, plus accrued and unpaid interest on the principal amount being redeemed to redemption.

"TREASURY RATE" means, with respect to any redemption date, (1) the yield, under the heading which represents the average for the immediately preceding week, appearing in the most recently published statistical release designated "H.15(519)" or any successor publication which is published weekly by the Board of Governors of the Federal Reserve System and which establishes yields on actively traded United States Treasury securities adjusted to constant maturity under the caption "Treasury Constant Maturities," for the maturity corresponding to the Comparable Treasury Issue (if no maturity is within three months before or after the Remaining Life, yields for the two published maturities most closely corresponding to the Comparable Treasury Issue will be determined and the Treasury Rate will be interpolated or extrapolated from such yields on a straight line basis, rounding to the nearest month) or (2) if such release (or any successor release) is not published during the week preceding the calculation date or does not contain such yields, the rate per annum equal

to the semi-annual equivalent yield-to-maturity of the Comparable Treasury Issue, calculated using a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price of such redemption date. The Treasury Rate will be calculated on the third Business Day preceding the redemption date.

"BUSINESS DAY" means any calendar day that is not a Saturday, Sunday or legal holiday in New York, New York and on which commercial banks are open for business in New York, New York.

"COMPARABLE TREASURY ISSUE" means the United States Treasury security selected by an Independent Investment Banker as having a maturity comparable to the remaining term ("Remaining Life") of the Securities to be redeemed that would be utilized, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of such Securities.

"INDEPENDENT INVESTMENT BANKER" means Goldman, Sachs & Co. and its successor or, if such firm is unwilling or unable to select the Comparable Treasury Issue, an independent investment banking institution of national standing appointed by the Trustee after consultation with the Corporation.

"COMPARABLE TREASURY PRICE" means (1) the average of five Reference Treasury Dealer Quotations for such redemption date, after excluding the highest and lowest Reference Treasury Dealer Quotations, or (2) if the Independent Investment Banker obtains fewer than five such Reference Treasury Dealer Quotations, the average of all such quotations.

"REFERENCE TREASURY DEALER" means (1) each of Goldman, Sachs & Co., Morgan Stanley & Co. Incorporated and Salomon Smith Barney Inc. and their respective successors, provided, however, that if any of the foregoing shall cease to be a primary U.S. government securities dealer in New York City (a "Primary Treasury Dealer"), the Corporation will substitute for such underwriter another Primary Treasury Dealer, and (2) any other Primary Treasury Dealer selected by the Independent Investment Banker after consultation with the Corporation.

"THE REFERENCE TREASURY DEALER QUOTATIONS" means, with respect to each Reference Treasury Dealer and any redemption date, the average, as determined by the Independent Investment Banker, of the bid and asked prices for the Comparable Treasury Issue (expressed in each case as a percentage of its principal amount) quoted in writing to the Independent Investment Banker at 5:00 p.m., New York City time, on the third Business Day preceding such redemption date.

If (1) as a result of any change in, or amendment to, the laws (or any regulations or rulings promulgated thereunder) of the United States (or any political subdivision or taxing authority thereof or therein), or any change in, or amendments to, the official position regarding the application or interpretation of such laws, regulations or rulings, which change or amendment is announced or becomes effective on or after July 31, 2000, the Corporation becomes or will become obligated to pay Additional Amounts or (2) any act is taken by a taxing authority of the United States on or after July 31, 2000, whether or not such act is taken with respect to the Corporation or any affiliate, that results in a substantial probability that the Corporation will or may be required to pay such Additional Amounts, then the Corporation may, at its option, redeem, as a whole, but not in part, the Notes on not less than 30 nor more than 60 days' prior notice, at a redemption price equal to 100% of their principal amount, together with interest accrued but unpaid thereon to the date fixed for redemption; provided that the Corporation determines, in its business judgment, that the obligation to pay such additional amounts cannot be avoided by the use of reasonable measures available to it, not including substitution of the obligor under the Notes. No redemption pursuant to (2) above may be made unless the Corporation shall have received an opinion of independent counsel to the effect that an act taken by a taxing authority of the United States results in a substantial probability that it will or may be required to pay the Additional Amounts and the Corporation shall have delivered to the Trustee a certificate, signed by a duly authorized officer, stating that based on such opinion the Corporation is entitled to redeem the Notes pursuant to their terms.

The Corporation shall have no obligation to redeem, purchase or repay this Note pursuant to any sinking fund or analogous provision or at the option of the Holder hereof.

This Note is subject to defeasance on the terms and conditions stated in the Indenture.

Terms defined in the Indenture and not defined otherwise herein shall have the respective meanings assigned thereto in the Indenture.

This Note shall not be valid or become obligatory for any purpose until the certificate of authentication hereon shall have been signed by the Trustee in accordance with the Indenture.

Ladies and Gentlemen:

We have acted as counsel to Visteon Corporation (the "Company") in connection with the Registration Statement (the "Registration Statement") on Form S-3 filed by the Company on July 19, 2000 with the Securities and Exchange Commission (the "Commission") pursuant to the Securities Act of 1933, as amended (the "Securities Act"). We have also acted as counsel to the Company in connection with the Prospectus Supplement dated July 31, 2000 (the "Supplement") and the related Prospectus dated July 19, 2000 (the "Prospectus"), each in the form filed with the Commission effective August 2, 2000, covering \$1,200,000,000 in aggregate principal amount of debt securities of the Company comprised of \$500,000,000 of 7.95% Notes due August 1, 2005 and \$700,000,000 of 8.25% Notes due August 1, 2010 (collectively the "Notes") issuable under an Indenture dated as of June 15, 2000 between the Company and Bank One Trust Company, N.A., as trustee under an Indenture dated as of June 23, 2000 (the "Indenture").

In our capacity as such counsel, we have examined the various documents set forth above and such other documents and corporate records of the Company and such documents and certificates of public officials and officers of the Company as we have deemed necessary as a basis for the opinions hereinafter expressed.

In our examination, we have assumed the genuineness of all signatures, the legal capacity of natural persons, the authenticity of all documents submitted to us as originals, and conformity to original documents of all documents submitted to us as certified or photostatic copies and the authenticity of the originals of such documents. We also have assumed that the transactions related to the issuance of the Notes will be consummated in the manner contemplated by the Registration Statement, the Prospectus, the Supplement, the Indenture and the other documents referred to hereinabove.

Based solely upon the foregoing and subject: (A) to the conditions and limitations which follow; (B) to the beneficial owner's compliance with the requirements set forth under the heading "United States Tax Documentation Requirements" on pages S-44 and S-45 of the Supplement; and (C) to the discussion of backup withholding set forth at pages S-46 and S-47 in the Supplement, we are of the opinion that under current United States federal income tax law:

(i) payments of principal and interest on a Note that is beneficially owned by a non-United States person will not be subject to United States federal withholding tax; provided, that in the case of interest, (x) (a) the beneficial owner does not actually or constructively own ten percent (10%) or more of the total combined voting power of all classes of stock of the Company entitled to vote, (b) the beneficial owner is not a controlled foreign corporation that is related to the Company through stock ownership, and (c) either (A) the beneficial owner of the Note certifies to the person otherwise required to withhold United States federal income tax from such interest, under penalties of perjury, that it is not a United States person and provides its name and address or (B) a securities clearing organization, bank or other financial institution that holds customers' securities in the ordinary course of its trade or business (a "financial institution") and holds the Note certifies to the person otherwise required to withhold United States federal income tax from such interest, under penalties of perjury, that such statement has been received from the beneficial owner by it or by a financial institution between it and the beneficial owner and furnishes the payor with a copy thereof; (y) the beneficial owner is entitled to the benefits of an income tax treaty under which the interest is exempt from United States federal withholding tax and the beneficial owner of the Note or such owner's agent provides an IRS Form W-8BEN (or through December 21, 2000, IRS Form 1001) claiming the exemption; or (z) the beneficial owner conducts a trade or business in the United States to which the interest is effectively connected and the beneficial owner of the Note or such owner's agent provides an IRS Form W-8ECI (or through December 31, 2000, IRS Form 4224); provided that in each such case, the relevant certification or IRS Form is delivered pursuant to applicable procedures and is properly transmitted to the person otherwise required to withhold United States federal income tax, and none of the persons receiving the relevant certification or IRS Form has actual knowledge that the certification or any statement on the IRS Form is false;

(ii) a non-United States person will not be subject to United States federal income or withholding tax on any gain realized on the sale, exchange or redemption of a Note unless the gain is effectively connected with the beneficial owner's trade or business in the United States or in the case of an individual holder such individual has become a "resident" of the United States for federal income tax purposes or is present in the United States for 183 days or more in the taxable year in which the sale, exchange or redemption occurs and certain other conditions are met; and

(iii) a Note owned by an individual who at the time of death is not a citizen or resident of the United States will not be subject to United States federal estate tax as a result of such individual's death if the individual does not actually or constructively own ten percent (10%) or more of the total combined voting power of all classes of stock of the Company entitled to vote and the income on the Note would not have been effectively connected with a U.S. trade or business of the individual.

The opinions expressed above are subject to the following limitations and qualifications:

(a) Our opinion is conditioned on, among other things, the initial and continuing accuracy of the facts, information, covenants and representations set forth in the Registration Statement, the Prospectus, the Supplement, the Indenture and those other documents referred to hereinabove as well as the statements and representations made by officers of the Company.

(b) In rendering our opinion, we have considered the current provisions of the Internal Revenue Code of 1986, as amended, Treasury regulations promulgated thereunder, judicial decisions and Internal Revenue Service rulings, all of which are subject to change, which changes may be retroactively applied. A change in the authorities upon which our opinion is based could affect our conclusions. There can be no assurance, moreover, that any of the opinions expressed herein will be accepted by the Internal Revenue Service or, if challenged, by a court.

(c) We note that various issues may be addressed in other opinions which we may now or hereafter provide to you and in the opinions which other counsel may separately provide to you and we express no opinion herein as to matters addressed in any such opinions.

Except as set forth above, we express no opinion to any party as to the tax or other consequences, whether federal, state, local, or foreign, of the issuance of the Notes or of any transaction related to or contemplated in connection with such issuance. This opinion is furnished to you solely for your benefit in connection with the offering of the Notes and is not to be used, circulated, quoted or otherwise referred to for any other purpose or relied upon by any other person without our express written permission. We are qualified to practice law in the State of Michigan and we do not purport to express any opinion herein concerning any laws other than applicable United States federal income tax laws. This opinion letter is limited to the specific issues addressed herein and is predicated solely upon laws and regulations in existence as of the current date and as they currently apply and to the facts as they currently exist. We assume no obligation to revise or supplement this opinion letter should such matters change by legislative action, judicial decision or otherwise and we disclaim any undertaking to advise you of any subsequent changes of the facts stated or assumed herein or any subsequent changes in applicable law.

We hereby consent to the use of our name as it appears in the Prospectus and in the Supplement. In giving this consent, we do not admit that we are in the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations of the Securities and Exchange Commission thereunder.
